Jonathan Vos – Technical Director  
 Graeme McDonald – Mgr. Player Development

## Message from the President

Soccer on PEI was once again successful in 2021. We played a full season with playoffs and managed to hold two tournaments. The clubs once again stepped up and provided a great program from mini's through youth and supported the senior league programs. As always, the success we have can always be directly attributed to the hard work by the many great people we have in our clubs.

PEISA clubs are continuing to work with PEI Soccer staff towards the implementation of club licensing – Quality Soccer Provider - and will continue the process in 2022 as it will be a requirement from Canada Soccer by the end of 2023.

Canada Soccer has also just recently released a draft copy of the new strategic plan so we will be able begin aligning ourselves with it and update our own plan to set a course for the future.

Our Performance Programs and Canada Games programs are very strong and up and running fully. An exciting and long overdue development is for the very first time our Canada Games Women's team will be coached by an all-female coaching staff. There are a number of talented female coaches in our programs now and the future looks very promising to have equal representation on our coaching teams.

I would like to thank the PEISA executive for their continued support and dedication to improve and expand our programs. Our three staff members have also been instrumental in our success and I thank them too. With the great people we have in our clubs, the PEISA executive and technical staff, soccer in our province is in good hands and can be expected to continue to grow.

Respectfully submitted,

A handwritten signature in grey ink, appearing to read 'K McAleer', written in a cursive style.

Kirk McAleer - President, PEI Soccer

## Message from the Executive Director

Although covid-19 was still everywhere in 2021, we were very fortunate to be able to offer a full slate of programming during the year.

More players registered to play soccer this summer than we have seen for a number of years. Member Clubs were able to hold tournaments once again and league playoffs, after a summer of soccer, were back.

PEI Soccer Programs and Leagues were filled to capacity. Covid-19 did still impact travel afar and therefore, Atlantic All-Star Championships and the National Club Championships were cancelled for a second year in a row. Canada Games were cancelled as well but the players are continuing to train and will be heading to the Games in 2022.

Thank you to each and every Member Club and their respective board members and all the other volunteers who work so hard to provide a soccer program/team for the players.

Thank you to the Provincial and Federal Governments for their support of amateur sport in the Province.

Thank you to the PEI Soccer Board members for guiding the Association through a couple of tough years.

We were able to complete programming for 2021 just before the holiday season but covid-19 struck again in the form of omicron. We certainly hope it will not impact programming long term but a delay to the start of indoor programs and the winter league is on the horizon.

We look forward to another year that we know will still be impacted by covid-19, but the last couple of years has prepared us well so we can make sure we always have a place to play for those that wish to play the beautiful game.

Respectfully submitted,

Peter Wolters – Executive Director, PEI Soccer

### **DEVELOPING THE SPORT**

Provide opportunities for the development of knowledge, skills and abilities in soccer

### **SUPPORTING OUR CLUBS**

Support clubs in promoting vibrant soccer communities

### **PROMOTING THE SPORT**

Promote, encourage and motivate people to become and stay involved in soccer

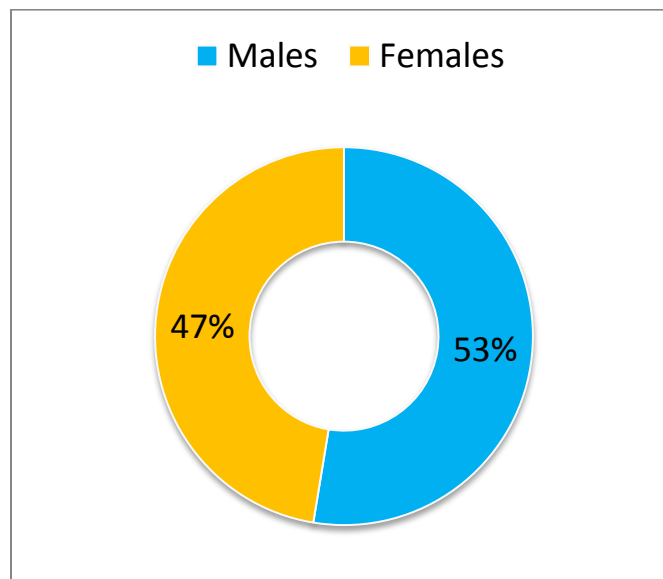

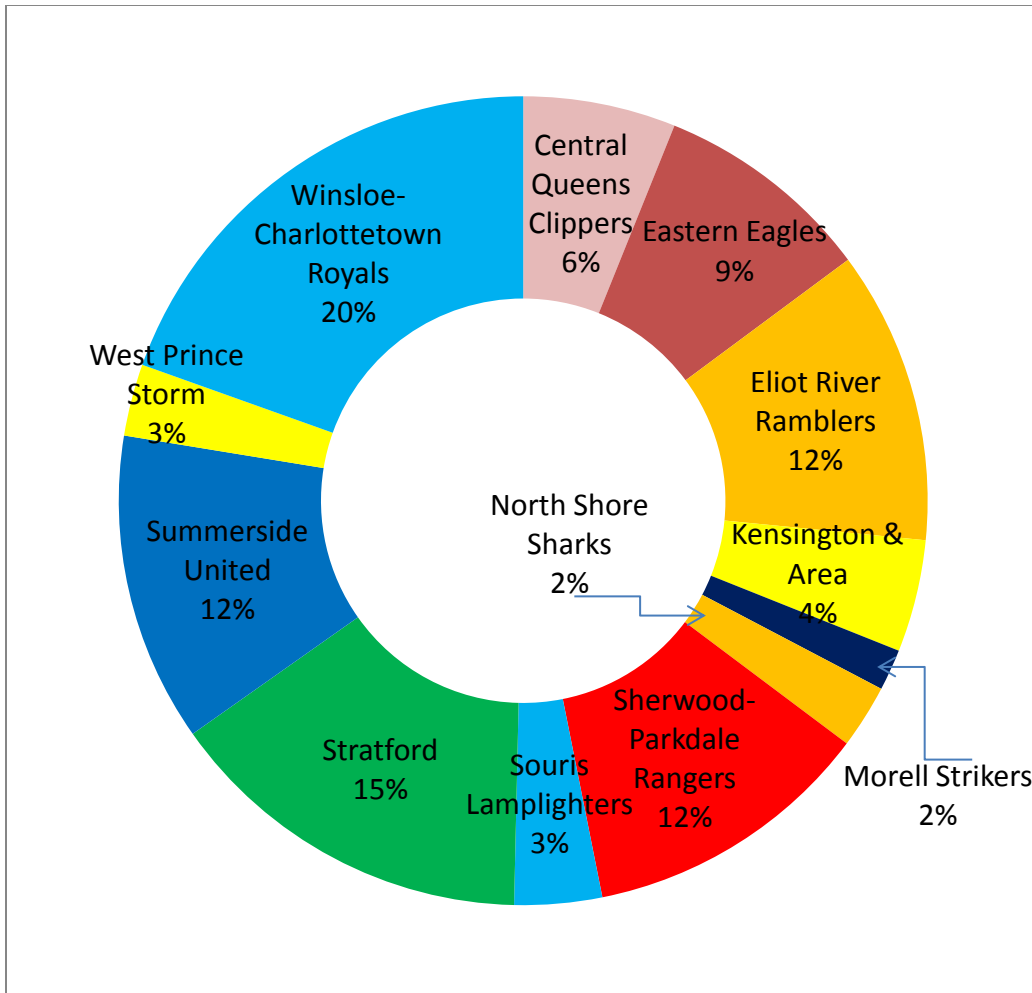

### **STRENGTHENING OUR ASSOCIATION**

Bring strong leadership, collaboration, and optimal alignment of resources to advance priorities
