Renew PEI Together
Return to Play Operational plan
Summer Soccer Season - April, 2021

### Public Health Guidance

- Stay informed, be prepared and follow public health advice
- Maintain physical distancing of 2 m (6 ft.) with individuals who are not part of one's household
- Adhere to mass gathering limits (4 cohorts of 50) unless your respective club has received approval to host more within your complex. If more than 4 cohorts was approved in your respective club 2020 plan, you can proceed based on that plan. If your 2020 plan was not approved for more than 4 cohorts for your facility, you will need to submit the plan to host more than 4 cohorts of 50.
  - a single cohort can be 2 teams playing a game or 2 club teams training on one field; parents watching the game at a field is a separate cohort;
- Stay home when ill and call 811 promptly if experiencing symptoms of COVID-19
- Wash your hands often with soap and water for at least 20 seconds; if not available, use a hand sanitizer that contains 60% 80% alcohol
- Don't touch your face with unwashed hands
- ▶ Cough or sneeze into a tissue or your sleeve, and wash your hands directly after
- Ensure enhanced cleaning and disinfection of commonly touched surfaces
- ► Teammates and neighbours can carpool or share drives if physical distancing is maintained Carpooling and Essential Transport Guidance
- Vulnerable individuals should exercise caution and minimize high-risk exposures
- Limit personal non-essential travel. Keep a log of interactions to self-monitor and to facilitate contact tracing should a case be detected

# **Illness/Exclusion Policy**

The club will clearly communicate to all members the exclusion policy in place for anyone displaying symptoms of COVID-19.

- All staff, members, coaches, volunteers, participants and parents/guardians must self-monitor for symptoms and report to the following club board representative, (insert name and contact), if they have concerns about possible COVID exposure or possible symptoms.
- Any player developing symptoms of COVID-19 at the club's facilities must immediately perform hand hygiene, report to team staff, avoid contact with other members and staff and leave as soon as it is safe to do so. Please call 811 to arrange testing.
- Symptomatic persons will be required to self-isolate until tested for COVID-19 and the results are confirmed.
- If the test results are negative for COVID-19 but the person remains ill and/or symptomatic, they must remain absent from all club facilities.

#### TIME MANAGEMENT

#### **Pre-training**

- Consider all factors when designing your session plan (i.e. explanations, activity durations and transitions for water breaks).
- Prepare that transitions may take a little longer than normal when managing players and session set up.
- -Delineate areas for players to arrive and to place their belongings while considering distancing requirements.

#### **Training**

- Respect the timeline you anticipated in your session so parents can plan.
- Make use of your time by following your session plan guidelines.
- Don't stay too long on one activity to prevent boredom.

#### **Post-training**

- Make sure you pick up all equipment and belongings before leaving the field.
- -Take a brief time to connect with your players after the practice and validate their efforts.
- -Consider following up with a positive email to the players and parents encouraging them about the next practice session.
- Adhere to session start & finish times to avoid cross over between players for next session.

#### **SPACE MANAGEMENT**

#### **Pre-training**

- Check with your club to confirm the amount of space available for your session.
- Prepare a session plan that includes the amount of players confirmed for your practice.
- -Ensure that you have the right equipment (i.e.. amount of cones and pumped up balls).

#### **Training**

- Be aware at all times that you and the players are respecting distancing guidelines.
- Consider designating the Assistant Coach to help you manage the spacing throughout the session.
- -Add more cones if required to clearly emphasize the zone boundaries.

#### **Post-training**

- Make sure you pick up all equipment before leaving the field.
- Don't leave any personal belongings on the field of play or team bench.
- Reflect on how the spacing worked out in the session and involve your players, the staff and ask the parents(via email) for their feedback.
