Highlights

Captain of U16 RC United team that finished 5th at club nationals, national competition participant for 5 tournaments, played at UPEI for 6 years, and won the island league 4 years in a row.

Why I coach

I like to coach because I love both education and the sport of soccer, so it's a natural match. I find it really rewarding to pass knowledge onto the youth, and I understand the impact of a good coach, especially at a young age.
