Game Cancellation - YOUTH LEAGUE –

Rescheduling Youth Games:

- Youth teams will have between the release of the final schedule on the PEI Soccer website and June 15th to request changes to their team's schedule provided they notify the League in writing.
- PEI Soccer will then contact the opposing team and if they are in agreement, the postponement date for the respective game will be solely at the discretion of PEI Soccer.
- Prior to June 15th, teams must give PEI Soccer at least 48-hour notice of rescheduling.
 - Missing 2-3 players or a staff member is not a valid reason.
- After June 15th, the League will no longer accept youth league request(s) to reschedule games with the exception of those caused by weather related factors or very exceptional circumstances.
