

A note for U7/U9 Managers from NEAHL:

U7/U9 Division teams are not governed by a league, they follow the Hockey Alberta Intro to Hockey Model. Meaning the game scheduling is the managers responsibility. To ensure other teams contacts are easily accessible for booking games please fill out the form designated to your division with your teams information and submit it. These contact forms you will be able to access on NEAHL.ca under U7/U9 Pond hockey in the leagues drop down menu.
