Dear Community Supporter,

This season is monumental for our Pembina Minor Hockey Program, and we invite you to be a part of it! During this season, we endeavor to host our very first Hometown Hockey Weekend! The U7, U9, U11, U13, and U15 Pembina Pirates Hockey Teams are hoping for your support this year.

We are an association that promotes accessible sport to the surrounding area. We are competing in the North Eastern Alberta Hockey League (NEAHL) (U11+) this season. Our teams have access to two practices per week, on-ice specialized training, and league games played on weekends.

The Pembina Pirates coaches and supporting members will focus on the development of our players hockey skills, but more importantly, they develop the life skills of teamwork, sportsmanship, and strong character.

There are several large expenses that each team incurs during the season including ice rentals, referees, tournament fees, equipment/jersey replacements, and much more. We are hoping or the support of businesses and community members, offering advertising our banner, social media, website, in-arena community board, recorded pre-game announcements. Through these, we have a way for our Pembina Pirates players to acknowledge your support and contribution for our teams.

For more information please contact: spuehlerk@gmail.com

A receipt and thank-you card will be provided.

Thank you so very much in advance of your kind support.
