RE: CRIMINAL RECORD CHECK

_____ wishes to volunteer with the Pembina Ringette Association. This is a leadership and mentor role, that will be working directly with our children/athletes. In order to safeguard our children and the Association, it is a requirement of the Association that each person undergo a Criminal Record Check.

On behalf of the Pembina Ringette Association, I would like to thank you for providing your continued support to the community and for supporting the development our young athletes within Westlock, Barrhead and surrounding communities.

Sincerely,

Janice Tymkow
Vice President
Pembina Ringette Association
