## Registration Policy

### Playing Outside of Age Group

It is recommended that all players play in the divisions assigned to their birth year. A written request must be made to the Executive (at time of registration), if parents want to register their child in a division outside their assigned division. All such requests will be reviewed on a case by case basis by the Executive. *Example: a child born in 2003 wishes to play in U16(2001/2002) instead of their assigned division of U14(2003/2004). Factors considered: number of players in both divisions, impact to both divisions, caliber of player, reason for request.*

### Early Registration

Early Registration prices are valid until the deadline of March 14<sup>th</sup>. To qualify for Early Registration prices, online registration must be completed and payment must be made online by that date. If electing to pay “offline”, payment by cheque or cash must be received by March 14<sup>th</sup> to get early registration prices.

**\*\*No player is allowed to practice or play until league fees are paid in full.**
