RCMP SUBJECT: REQUEST FOR CRIMINAL RECORD CHECK INCLUDING THE VULNERABLE SECTOR

The Saskatchewan Soccer Association (SSA) states that “All coaches are required to provide evidence of a Canadian Criminal Record Check conducted within the past three (3) years.” to be eligible to coach. To further safeguard members of our club, the Phantom Lake Soccer Club (PLSC) requires that all volunteers who interact with children or youth including coaches, managers, and executive board members are required to have a Criminal Record Check including Vulnerable Persons completed every three years.

Thank you for your assistance.
