

Beginning September 20, 2021 County recreation facilities remain open to public and general use, as per following:

- Provincial mask mandate and social distancing of 2 m for all public spaces is in effect.
- Youth sport, fitness, recreation, and performance activities (under 18 years)
 - Indoor group classes, training and competitions permitted but participants are required to:
 - Screen for symptoms
 - Maintain 2m distancing, except while engaged in physical activity
 - Wear a mask, except while engaged in physical activity
 - Spectator attendance is restricted to 1/3 fire code capacity and limited to single household or 2 close contacts (if living alone), and must be masked and maintain 2m distancing
 - *As per Michelle, AHS – and this is verbatim: If 1/3rd capacity is implemented there can be no food in the spectator stands as this will be considered dine in. They should not be bringing in food from any of the building food vendors. Dine in is prohibited under CMOH-Order 44.*
 - There will still be a concession at the arena, Food needs to be taken outside to eat it.
 - Outdoor activities can continue with no restrictions
- Adult (over 18 years) sport, fitness, recreation, and performance activities - effective Sept 20/21
 - Indoor group classes and activities are not permitted (virtual programming will be offered wherever possible)
 - Indoor competitions are paused except where vaccine exemptions have been granted
 - Indoor one-on-one, solo or household cohort activities are allowed for adults (over 18 years) with 3m distancing and restricted capacity). For Open Ice we will allow one solo person or one-on-one or household cohort, training per ½ of ice.
 - Outdoor activities can continue with no restrictions
- Adult drop-in programs are cancelled but Public drop-in times (public swims, open ice times and fieldhouse drop ins) are limited capacity with distancing maintained and no games/practices permitted for adults (18+).

Open Ice

- One-on-one training, solo or family cohort or 2 close contacts for those living alone for public and open ice times.
- One household cohort per half of ice (if only one cohort on ice they can have full ice but need to be aware that they will need to adjust if another individual or cohort comes).
- Ice use is based on first users on ice. e.g. if public skaters (no sticks and pucks) are there first, then this is the ice use until that group leaves and vice versa to ensure safety.
