## Vulnerable Sector Check for PMBA Coaches

May 15, 2023  
Fenwick, ON

The Pelham Minor Baseball Association wishes to provide the safest possible experience for our baseball community members, and one step of this plan is a mandatory requirement for all volunteer coaches to perform and pass a Police Vulnerable Sector Check (PVSC). Our coaches do not get remunerated for their time.

It is the responsibility of the individual PMBA volunteer to instigate the PVSC through the Niagara Regional Police Service (NRPS). This can be done in-person or on-line, and more info can be found here;

<https://www.niagarapolice.ca/en/what-we-do/policebackgroundchecks.aspx#Police-Vulnerable-Sector-Check-PVSC>

Once completed, a copy of the positive results must be sent by the volunteer coach to the PMBA board; [playball@pmba.ca](mailto:playball@pmba.ca) Costs associated with the PVSC are refundable by submitting receipt of payment to the PMBA treasurer; [treasurer@pmba.ca](mailto:treasurer@pmba.ca)

If you have any questions, please feel free to reach out to association representative; Matt Peters, PMBA President [playball@pmba.ca](mailto:playball@pmba.ca) (905) 328-6276

Thanks in advance for your commitment to safety in our community!

Regards,

*PMBA Board of Directors*
