

Port Colborne Girls Hockey Association

2025-26 Sr. House League Sponsorship

To: Potential Sponsor/Donor

We are excited to announce that the Port Colborne Girls Hockey Association is planning ahead for our 13th season of Girls WAVE Hockey!

This year, we are requesting your support with sponsorships for our senior teams. Port Colborne has seen an increasing demand for women's hockey, and we are planning to expand our league to a minimum of 6 teams, with the potential to grow to 8 teams. If you are passionate about hockey and/or women in sport, donating to the Wave is a powerful way to make an impact locally.

The growth of female hockey in recent years has been inspiring, as more and more women are participating in the sport for exercise, stress relief, and social engagement. Your donation will help ensure our teams have the essentials they need to play and will contribute to the broader effort to grow women's hockey, which is on the rise across the country.

By supporting us, you are not only empowering local women to prioritize their health and wellness but also inspiring future generations of female athletes who may one day take the ice in our league. With your contribution, we can provide an environment that promotes fitness, teamwork, and community, all while encouraging the next wave of female hockey players to pursue their dreams.

General Sponsorship:

- \$750 per team (includes sponsor name on jersey & advertisement on our website).
- Please note: Smaller donations are greatly appreciated and will be recognized on our social media platforms.

If you have any questions, please don't hesitate to reach out to us by phone or email.

Thank you in advance for your support!

Sincerely,

Erica Horton

President
