Introduction

The Prince Albert Hockey (PAH) provides an opportunity for hockey players in U13, U15 and U18 age levels to participate in the 'AA' hockey program. This level of hockey is intended for those players who desire to play at a more competitive level than is usually available at the house league level.

This policy and guidelines document will be enhanced and distributed each year. It is intended to provide a framework for all 'AA' teams to operate within. Each team's coaching staff will establish their specific guidelines, which will be distributed at the first parent's meeting. This document is a supplement to the PAH constitution, playing rules and other supporting documents. It does not supersede PAH documents unless stated in the PAH documents.

1.0 Tryouts and Draft Procedure

Players must reside within PAH boundaries and have registered for minor hockey.

****NEW****

Players must attend school within PA Hockey Boundaries unless otherwise approved by the board.

Players can obtain a concession from the SHA allowing them to play on PAH teams. It would then go to the Board of Directors for approval or rejection. All players in the U13, U15 and U18 age categories who wish to try out for any 'AA' team must pre-pay a nonrefundable fee of \$80.00 per player will be charged with a guarantee of three (3) ice sessions.

Only players who register for 'AA' tryouts will be eligible to be drafted to teams or become affiliate players of the teams. Unless there are extenuating circumstances and that would then be up to the discretion and approval of the PAH Board (example – broken leg, broken arm)

'AA' tryouts will begin in September for U13, U15 and U18. **Times and names will be posted on the PAH Website. Times or teams will not be given out over the phone or from the Hockey Office.** It is the player's or parent's responsibility to check for their ice times.

All players registered with the U18 AAA Mintos as of midnight, the day prior to AA tryouts will be considered registered with 'AA' and will not have to pay the \$80.00 fee. All players at other camps not registered with PAH must apply to the PAH board for a concession to be eligible to play.

After the initial three ice sessions the number of players cut and the manner in which they are cut will be left up to the coaching staff. PAH recommends a meeting between the Coach, player and parent of player for the final cuts.

After the selection, and before final cuts are made, a meeting with the parents must be held outlining expectations and commitment required to play on a 'AA' team. A Prince Albert Hockey Board member must be in attendance. Teams have up to the day prior to the start of the drafting of the house league teams to finalize their roster.
