

SFHL MANUAL

2021-2022

www.paminorhockey.ca

Introduction

This policy and guidelines document will be enhanced and distributed each year. It is intended to provide a framework for all SFHL teams to operate within. Each team's coaching staff will establish their specific guidelines, which will be distributed at the first parent's meeting. This document is a supplement to the PAH constitution, playing rules and other supporting documents. It does not supersede PAH documents unless stated in the PAH documents.

In an ongoing attempt to continue to strengthen our Female Hockey program and ensure its continued growth, Prince Albert Hockey will attempt to provide female only teams at all levels of hockey to ensure that female players can play at their appropriate competitive level. Prince Albert Hockey will also continue to follow the Female Hockey Development path as structured by the Hockey Sask.

In all age groups from U7 to U18 where numbers warrant, Prince Albert Hockey will form and register Female only teams.

Female Hockey Concession (Forms can be found on www.paminorhockey.ca)

In all age groups within Prince Albert Hockey where numbers warrant, Female players will play on a female team. Parents can make a request for a concession to the Board of Directors for a female player to play on a male team. ie: Siblings to play in same age group and Tier.

All requests for concession must be in before September 1st of the current hockey season. (This date may be subject to change.)

All requests must be accompanied by the reason for the Female to Male concession.

All requests for concession will be dealt with by the Board and considered on a case by case basis.

Female Hockey Exceptional Player (Forms can be found on www.paminorhockey.ca)

Second year U13 players/goaltenders, may be advanced to U15 AA tryouts through the following procedure.

- 1) A request for concession must be submitted in writing to the Prince Albert Hockey by September 1st of the current Hockey season.
- 2) The request for concession must be accompanied by a non-refundable \$50.00 administration fee.
- 3) The request for concession must include supporting letters from objective sources, Coaches, Coordinators, etc.

If these guidelines are met then the request for concession will be dealt with by the Board on a case by case basis.

It should be understood that the U13 aged player to be able to make the U15 AA team must evaluate in the top half of the number of rostered players in his respective division.

ie: Top 3 Defencemen, Top 5 forwards.

**** NOTE **** All Hockey Sask Rules and Regulations will be followed.

1.0 Team Forming Procedure

Players residing within PA Hockey Boundaries

Female players wishing to try out for 'AA' teams must pay the \$100.00 nonrefundable fee and attend the tryouts. If they are successful in their attempt, they will stay on the 'AA' team, if not they will return to the division that they registered to play within PA Hockey.

Outside of PA Hockey Boundaries

- AA – Players wishing to play AA must try out for the nearest AA team to their residence. If they are not successful in making the nearest AA team, they must obtain a release from the Association of that AA team and they may then proceed to try out for the next nearest AA team and so on.
- All other U18 Teams– 160 km radius- All other U15 Teams 120 km radius – U13 Teams 80 km radius

The following guidelines shall apply to releases and letters of permission.

Players attending training camps in U13 and older do not require a release until they have secured a position on a team.

For all age divisions, players require releases from their center to register elsewhere within the allowable age division radius.

In dispute Hockey Sask Guidelines will take precedent Preference may be given to PAH players on the non AA teams

2.0 AA Tryouts and Draft Procedure

All players in the U15 and U18 age categories who wish to try out for any 'AA' team must pre-pay a nonrefundable fee of \$100.00 per player this will guarantee three (3) ice sessions.

Only players who register for AA tryouts will be eligible to be placed on teams. Unless there are extenuating circumstances and that would then be up to the discretion and approval of the PAH Board (example – broken leg, broken arm)

Tryouts will begin in September. **Times and names will be posted on the PAH Website. Times or teams will not be given out over the phone or from the Hockey Office.** It is the player's or parent's responsibility to check for their ice times.

After the initial three ice sessions for U15 AA and U18 AA the number of players cut and the manner in which they are cut will be left up to the coaching staff. PAH recommends a meeting between the Coach, player and parent of player for the final cuts.

After the selection, and before final cuts are made, a meeting with the parents must be held outlining expectations and commitment required to play on a AA SFHL team. A Prince Albert Hockey Board member must be in attendance.

3.0 Teams and Team Numbers

3.1 Player Ice Time Equality AA

- a) Players and Parents need to understand that teams playing in the SFHL expectations change. Players will continue to receive fair playing time, although due to game situations it may not be at all times equal.
- b) The Coaches have an expectation to play all players in situations to best ensure success for the player and the team.
- c) Injuries: If a player is injured during a game and sits out a few shifts, they should not expect to make up the missed shifts.

3.2 Player Ice Time Equality for Non AA Teams:

- a) Prince Albert Hockey specifies that player ice time allocation is to be equal for all players over a period of time. Equity of ice time per player cannot be assessed on a one or two game basis. Violations of this policy shall result in suspension of the coach.
- b) Every goalie should have a reasonable expectation to play $\frac{1}{2}$ of all games (whether that is $\frac{1}{2}$ of each game or rotating games is decision of the coach). The goaltending rotation should be communicated to the player and parents. If a player is absent for any reason from a game, it would not be reasonable to expect to make up the shifts lost. For example, if a goalie misses a game that they were expected to play in, it is not reasonable to expect that the rotation would change to accommodate.
- c) Injuries: If a player is injured during a game and sits out a few shifts, they should not expect to make up the missed shifts.

3.3 Affiliated Players

For all purposes of affiliation regulations, Female teams may only affiliate players registered on female teams.

For a player to be affiliated they must be registered on a team.

A team may have affiliated with it one team or nineteen (19) players from a lower tier or age classification of hockey. At all times a player may only be affiliated with one team.

A team cannot affiliate a team, or players from a team, that are registered in the same age classification within a league that they compete against.

Each time an affiliated player is used for games or practice, permission must be obtained from the player's coach prior to contacting the player.

Play on the SFHL teams by an affiliated player should not interfere with the player's certified team play. An effort will be made by the affiliated player to participate in team practice when possible without interfering with their own team.

U15 AA

For U15 AA teams, they may affiliate players registered on U15 A teams from the sponsoring centre along with six (6) U15 A players whose parents reside nearest to the sponsoring centre and also within a 120 km radius of the sponsoring centre.

Exception: U15 AA teams can affiliate a maximum of four (4) players to their team who are registered on a U13 team in the sponsoring centre of the U15 AA team.

U18 AA

For U18 AA teams, they may affiliate players registered on U18 A teams from the sponsoring centre along with six (6) U18 A players whose parents reside nearest to the sponsoring centre and also within a 160 km radius of the sponsoring centre.

Exception: U18 AA teams can affiliate a maximum of four (4) fourteen year old players who are registered on a U15 AA team in the sponsoring centre of the U18 AA team.

All affiliated player lists must be received in the PAH Office **October 1**. Additions and deletions to these lists may be made until **January 10**.
