

White Jerseys

- Purchase of the white jerseys will be \$55.00.
- Purchased jerseys can be taken to Source for Sports for additional decoration. They can have their last name placed on the back as well as the addition of their number on white shorts.

Cost of the additional decoration is the responsible of each player.

2" Names have been quoted at \$8.50 + taxes = \$9.45

3" Numbers on Shorts - \$2.30/digit plus taxes = \$2.55/digit

The names and numbers are made of Vinyl, which means there will be a different system in place at the store. Decoration will require at least a week to be added onto the jersey. Names and numbers will be sent to Saskatoon on a Monday with their expected return on Friday. Once Source for Sports has acquired the Vinyl, they will be added to the jerseys and/or shorts. Please stress to parents **NOT** to drop off a jersey for decoration within a week of a tournament. Please give the Source 10-14 days for the addition of a name and number.

- Jersey numbers range from 2-28, I will have blank jerseys inventoried for additional numbers. I have limited #13's, as it is not a popular number. Remember when choosing a number, that if it conflicts with a player the following year, the older player will have right of first refusal. I do have a list of player numbers from last year, so hopefully we can limit these occurrences.
- The option to rent a white jersey is available. A jersey deposit, post dated for March 1st, 2019, should be made out to PAYSA for \$60.00. Players are **not** allowed to put their names on the back of the rented jerseys.
- Pre-worn jerseys will be used for players renting jerseys and players will **NOT** have their choice of number.
- Jersey deposits will be cashed if players bring back stained, ripped, snagged, bleached or grey Jerseys. Please inform all parents that jerseys are to be washed separately and hung to dry.

**** Players renting both sets of jerseys are required to make out two separate Cheques. One for \$50 and one for \$60 made out to PAYSA. If one of the two jerseys have been deemed damaged, I do not want to be charging parents \$110/jersey. I will not be handing out cash or cheque refunds for deposits made out for \$110. I will also give parents the option to purchase the damaged jersey for the appropriate amount before a cheque is cashed. ****
