

## PAYSA

### U5 – 19 SOCCER RULES 2020-2021 OCTOBER

1. **PAYSA expects that all members/participants conduct themselves in a manner that is respectful and demonstrates their commitment to the principles and the intent of the Rules and Regulations of the game and the PAYSA By Laws. Each member group (players, coaches, referees/officials, parents and spectators) is expected to conduct themselves with dignity, both on and off the field of play**
2. **Fair Play and Codes of Conduct for Coaches, Players, Parents (or Spectators)**, should be discussed (See Coaches package). The focus is on abiding by the rules and regulations of the game, demonstrating a positive and healthy attitude about participation in the game and upholding the ideals of fair play and sportsmanship. Players should be presented with a clear picture of what constitutes fair play practices. Players should also be advised what actions would constitute a foul and be encouraged to exhibit fair and appropriate behavior before, during and after the game.

The principles of “Fair Play” are exemplified through integrity, fairness and respect for all. As such, a commitment is required from members/participants (players/teams, coaches, referees/officials, parents and spectators) to ensure the principles of “Fair Play” are followed. These principles are:

- i. Respect the rules
- ii. Respect your opponent
- iii. Respect the officials and their decisions
- iv. Give everyone an equal chance to participate
- v. Maintain your self-control at all times.

**Abusive or offensive language or behavior is prohibited in all venues and in all activities under the jurisdiction of PAYSA. In the case of breach of this rule, the appropriate official may order the offending person from the activity or competition.**

In the event of a defaulted game, a pick up or fun practice type game involving registered players only can commence under the management of both team coaches. If an incident arises in this type of game, coaches are expected to submit report for disciplinary action by PAYSA.

9. **Substitutions.** Substitutions are permitted “on the fly”, at a place within 5 yards of the halfway line and players should be fully off the field before the substitution is allowed to enter. The exception is the goal keeper who can only be substituted at any stoppage of play with the permission of the referee
10. **U13 and older must have two female players on field at all times.** If the team does not have two female players, they MUST play a man down all the time.
11. **Ball “in and out of play”.** The ball is “out of play”:
  - a) when the whole of the ball has crossed the goal-line, or side-line, whether on the ground or in the air;
  - b) when the ball goes out of the “field of play”(e.g. crosses the side-line or end-line (goal line));
  - c) when the ball touches ceiling structures
  - d) when the game has been stopped by the referee.NOTE: The ball is “in play” at all other times.
12. **Restarts.** When the ball goes out of play, the game is re-started by one of the following methods:
  - a) **Over the sidelines, with a kick-in (due to COVID)** The kick in is taken from behind the side line.
  - b) Over the goal line or end line, with a **goal kick** if the attacking team last touched the ball; or a **corner kick** if the defending team last touched the ball. Goal kicks can be taken from anywhere inside the goal area. Corner kicks are taken from the corner arc. **Goal kicks (and free kicks in the penalty area) no longer have to leave the penalty area to be in play.**
  - c) Penalty kicks shall be taken from the mid-point along the line on the edge of the penalty area
  - d) Hitting ceiling structures, with an **indirect free kick** to the team that did not touch the ball last at a place below where the ball touched the ceiling\*

13. **After a goal is scored,** re-start the game with a kick-off at centre mark.
14. **New this season: Goals cannot be scored directly from a kick-off at centre mark.**
15. **Offside.** No off-side will be called for any game. This rule is difficult for the players to understand, but coaches should try to make their players aware of the offside rule and discourage “goal hanging”.
16. **Slide tackling is not allowed for U11 and younger age groups** – Restart will be a direct free kick for the opposing team from the place where the infringement occurred except in the offending team’s penalty area where a penalty is awarded (see 12 above). In the older ages the regular FIFA rules regarding slide tackling apply.
17. **Safety is of primary importance.** Coaches are expected to stop reckless or dangerous play. Coaches should discuss fair play practices and what player actions would constitute a foul and encourage appropriate behavior.
18. Any team that defaults three games in a row is suspended from further PAYSA league play. The suspension continues until the Technical Director reinstates the team.
