

## **Important Information For New Players**

1. One parent must complete the Hockey Canada Respect in Sport Parent Course. This course can be found on the Hockey Alberta Website. If you have completed this course for other players please be sure and link the new player to your account.
2. After completing the course and linking your player please contact Gaylene Paulgaard @ 780-753-7897 to complete your player's profile. She will need parent's names, mailing address, street or land location, emails & phone numbers. She will also need to verify your child's Birth Certificate and Alberta Health Care Card as part of this process.
3. Once the above steps are complete you will be able to complete the registration process through the Online Registration Link provided on the Provost Minor Hockey Website.
