- “Fake!” – pretend to pass or shoot, then continue dribbling.
- “Explode!” – change speed quickly and move the ball into an open area.

CONTROL ACTIVITY 1: “INSIDE OUT”

SET UP:

- Up to 12 players, working in pairs;
1 ball per pair.

INSTRUCTIONS:

- Player 1 has the ball and starts outside the circle, Player 2 starts inside.
- “Go!” – Player 2 runs toward Player 1, who throws the ball to the ground inside the circle. Player 2 controls it with his/her feet before passing it back to Player 1.
- “Switch!” – after 1 minute, inside players move to the outside, and work with a different partner.

OPTIONS:

- Throw to partner’s waist area for thigh control.
- Throw to partner’s chest area for chest control, and volley back using the inside of the foot after controlling with the chest, or let the ball hit the ground and pass back (depending on skill level).

COORDINATION—DRIBBLING

ACTIVITY 2: “REACT—FAST!”

SET UP:

- Up to 12 players in a circle; no ball to start.

INSTRUCTIONS:

- “Go!” – players run freely around the circle.
- “Listen!” – change the way you’re moving on the coach’s command:
 1. Run backwards.
 2. Shuffle to the side.
 3. Jump in place.
 4. Sit down and get up fast; keep running.
 5. Knees up.
 6. Kick your heels back.
 7. Touch the inside of your foot, etc.

OPTIONS:

- Each player starts by dribbling a ball around the field.
- “Listen!” –
 1. Turn and dribble in the other direction.
 2. Dribble to the side.
 3. Jump in place with the ball between your knees.
 4. Throw the ball up and catch it.
 5. Drop the ball, volley it with your thigh, then catch it, etc. Continue dribbling.

COORDINATION—CONTROL & DRIBBLING & PASSING

ACTIVITY 1: “THE WEAVE”

SET UP:

- Up to 12 players, working in pairs; 1 ball per pair.
- Distribute cones randomly around the field. One partner starts with the ball, the other stands with fellow “resting” players on the field amongst the cones.

INSTRUCTIONS:

- “Go!” – players with the ball begin dribbling freely around the field.
- “Listen!” – follow the coach’s instructions: 1. “Weave!” – dribble around the resting players, weaving in and out. 2. “Circle!” – weave around a resting player then fully circle one cone. 3. “Change!” – leave your ball where it is, run to a teammate’s ball and

continue dribbling. 4. “Legs!” – pass the ball through your partner’s legs from wherever you are, then crawl through his/her legs to continue.

- “Switch!” – partners swap roles after 2 minutes.

OPTIONS:

- Players start by throwing the ball in the air and controlling with their chest, thigh or foot before dribbling.
- “Pass!” – players pass to their partner from wherever they are. The “resting” partner picks up the ball and throws it back. The receiving player controls the ball with the chest, thigh or foot before dribbling.

COORDINATION—CONTROL

ACTIVITY 3: “GET TO WORK!”

SET UP:

- Up to 12 players; enough balls for half the players, distributed randomly around the field.

INSTRUCTIONS:

- “Go!” – run around the field without touching any balls. Keep your head up to avoid running into anyone!
- “Listen!” – follow the coach’s instructions so you know what to do:
1. Knees up. 2. Kick your heels back.
3. Bunny hop. 4. Drop for 5 push-ups.
- When the coach shouts, “Ball!” race to a ball as fast as you can and pick it up. If you get one, you’re a “server.” Those without a ball become “workers.” Each worker has to visit 3 different

servers, who will “serve” the ball for them to volley back 3 times on each foot.

- “Switch!” – servers and workers swap roles so that everyone gets a turn to volley before the next race to the ball.

OPTIONS:

- Have workers volley with the outside of their foot or their laces, or control with the chest, thigh or foot before passing back. Remember to control across your body (i.e. left side of chest to right thigh, etc.)

COORDINATION—DRIBBLING

ACTIVITY 3: “IN THE ROUND”

SET UP:

- Up to 12 players in a circle; enough balls for half the players randomly spaced around the playing area.

INSTRUCTIONS:

- “Go!” – players start running around the circle and perform tasks at the coach’s command: 1. Jump in the air and touch your feet with your hands. 2. Knees up and jog on the spot. 3. Hop around and over the balls without touching them. 4. Weave in and out of the balls without touching them.

OPTIONS:

- “Pass!” – run to a ball, find any partner and pass the ball back and forth 3 times. Leave the ball and keep running.
- “Volley!” – run to a ball, find any partner and throw the ball so he/she volleys it back with the foot or thigh. Drop the ball and keep running.
- Each player has a ball: dribble around the circle and perform different skills at the coach’s command: 1. Juggle with your foot or thigh. 2. Head it from your hands and catch it. 3. Jog in place while making alternate touches on the ball with the soles of your feet, etc.

COORDINATION—PASSING

ACTIVITY 2: “TASK TAG”

SET UP:

- Up to 12 players, in 3 teams.
- Number teams 1-3.

INSTRUCTIONS:

- Team 1 is the “tagging” team.
- “Go!” – all 3 teams start running around the field, with Teams 2 and 3 trying to avoid getting tagged by Team 1. If Team 2 and 3 players get tagged, they go to the closest task corner and perform that task.
- “Switch!” – another team becomes the tagging team. Continue until all 3 teams have had a turn.

OPTIONS:

- Players on the tagging team each have a ball, and have to dribble while they try to tag players on the other teams.
- Instead of tagging with their hand, players on the tagging team have to pass to hit players below the knee in order to send them to a task corner.
- Non-tagging teams have one ball each, and have to dribble and pass with their teammates while avoiding the taggers.

TECHNICAL PRACTICES & FUN ACTIVITIES

**THEME 1 PASSING
&**

THEME 2

BALL MASTERY

SMALL-SIDED GAMES—PASSING

ACTIVITY 3: “2 AGAINST 1” & 2 v 2

SET UP:

- Four players total (2 per team) with a goal at each end.
- Give animal names to the teams (i.e., “Cats” and “Dogs”) for added fun.

OPTIONS:

- “No hands!” – when you’re the goalkeeper, you can only use your feet.
- Same game with three players per team.

INSTRUCTIONS:

- The Cats have the ball and try to score on the Dogs’ net. One of the Dogs becomes the goalkeeper. The Cats must make at least one pass before shooting. If the Dogs get the ball, it’s their turn to try to score.
- Remember to use the side of your foot when passing!

2v2 PROGRESSION:

- If defender wins the ball and passes back to GK or GK saves then the GK can join to create 2v2
- Or Simply allow the 2 players from the defending team into the box to play 2v2 from the start. Make goals smaller or place balls on cones and to score players must pass the ball to knock them off.

SMALL-SIDED GAMES—DRIBBLING & ALL THEMES

ACTIVITY 1: “ONE ON ONE” & 2 v 2 or 3 v 2

SET UP:

- Up to 12 players, working in pairs (1 attacker, 1 defender); 1 goalkeeper.
- One large goal; 2 smaller goals (or gates marked out with cones) at the opposite end of the field for defenders to aim for.

OPTIONS:

- If the defender wins the ball, he/she can dribble out or try to score a point by passing the ball into one of the two smaller goals.
- Add players to create a 2 v 2 or 3 v 3 game.

INSTRUCTIONS:

- Attackers line up at the end line opposite the goalkeeper. Defenders line up on one side of the field.
- “Go!” – the first defender passes the ball to the first attacker then runs onto the field to challenge for the ball. The attacker tries to dribble past the defender and shoot on net to score.
- “Switch!” – players swap roles. Continue until all players have had a turn as both attacker and defender.

ADAPTATION:

- For the themes of Passing and mastery rather than empty goals for the defenders to play into have them play to knock balls of cones. Place 4 cones along the end line to replace the goals in the diagram.

COORDINATION—CONTROL & PASSING/MASTERY

ACTIVITY 4: “RONDO SWITCH”

SET UP:

- Up to 12 players, in 2 groups; 1 ball per group.
- Each group has 4 attackers and 2 defenders, and play in adjacent squares.

OPTIONS:

- Give each defender a ball so they have to dribble while trying to intercept the attackers' passes.
- Use additional defenders to create a 4 v 3 or 4 v 4 situation.

INSTRUCTIONS:

- “Go!” – attackers try to complete 5 passes in a row. Defenders must win the ball 3 times before swapping roles with the attackers.
- “Transfer!” – any player, at any time, can pass the ball to someone in the next square—a trigger for players in the receiving square to immediately pass their ball to an attacker on the other side.

PASSING

ACTIVITY 4: “TRANSFER PASS”

SET UP:

- Up to 8 players, in 2 teams of 4 players each.
- Use cones to mark out 2 adjacent squares on the field, as shown.
- Name the teams: A (red) & B (white).
- Set up a 4 v 2 in one square, with 4 Team A players (attackers) and 2 Team B players (defenders); the other Team B players start in the adjacent square.

OPTIONS:

- Increase the number of passes to score a point.
- Every player on the attacking team must touch the ball at least once.
- Allow 1 additional defender to challenge for the ball, creating a 4 v 3 situation.

INSTRUCTIONS:

- “Go!” – Team A starts with the ball and tries to pass 5 times without Team B intercepting it. If Team B (defending) wins the ball, they pass to their teammates in the other square. Team B then becomes the attacking team and Team A must send in 2 players to try to win the ball back.

WALL PASS GAME

SET UP

- Unlimited number of players. Two teams all players start inside the circle.
- # of balls = # of players divided by 3 or 4
- Can use a circle or a square

INSTRUCTIONS

- Try to play a wall pass around an opponent to eliminate them from inside the circle. In the diagram player E is eliminated and must now play from outside the circle. Once eliminated players are still active and can be the wall player. If they help make a successful wall pass then they can re join the players inside the circle (player A in the diagram can go back inside. At the end of the game the team with the most players in the middle wins!
- The wall player has to play 1 touch for it to count

OPTIONS

- Allow the wall player to play 2 touch if needed

COORDINATION—PASSING

ACTIVITY 3: “FREEZE TAG”

SET UP:

- Up to 12 players; one ball.
- One player is “it”; another player starts with the ball.

INSTRUCTIONS:

- “Go!” – if you’re “it”, try to tag the other players by touching them with your hand. If you have the ball, you cannot be tagged. Save a teammate by throwing the ball to them before they get tagged. If you get tagged, you’re frozen. You’re back in the game when a teammate crawls through your legs.
- “Switch!” – the player holding the ball becomes “it.”

OPTIONS:

- More than one player has a ball and can “save” their teammates.
- Instead of passing with your hands, use your feet.
- “Dodge ball:” the player who is “it” has the ball. To freeze other players, throw the ball to hit them below the knees.

COORDINATION—DRIBBLING & PASSING (Team version)

ACTIVITY 4: “QUICKSAND”

SET UP:

- Up to 12 players.
- Have the parents form a large circle, with one parent or coach inside it.

INSTRUCTIONS:

- “Go!” – the coach/parent inside the circle is the “tagger.” Run around the island and try not to get tagged. If you do, you’re stuck in quicksand until a teammate crawls through your legs to set you free. Keep your head up and make sure not to bump into anyone, and don’t fall off the island!

OPTIONS:

- Run around with a ball in your hands, or bounce the ball as you run.
- “Dribble!” – use your feet to move the ball. Pass the ball through your teammates’ legs to free them from the quicksand.

Variations

- As shown above but every player has a ball, if the coach tags them they are stuck and must stand with their legs wide apart and shout for help, then they can be set free if someone else passes a ball through their legs
- As shown above but the coach has a ball and tries to pass a ball to hit them below the knee to freeze them
- U7 + TEAM VERSION – BEST VERSION! If you have multiple colours then give one colour only soccer balls. That team must try to hit the rest with the ball below the knee. If they get hit they are stuck and must stand with their legs wide apart and shout for help, then they can be set free if one of their team mates crawls through their legs

COORDINATION—PASSING

ACTIVITY 2: “LAST PLAYER STANDING”

SET UP:

- Up to 12 players, in 2 teams.
No ball to start.
- Each player has a pinnie (or an old t-shirt) tucked into his/her shorts, hanging down roughly to the hem of their shorts.

INSTRUCTIONS:

- “Go!” – run around the field and try to take all the opposing team’s pinnies by pulling them out of their shorts. The last player that still has a pinnie in their shorts gets a point for their team.

OPTIONS:

- Introduce 5 soccer balls: instead of taking pinnies, players can eliminate the other team by passing one of the balls and hitting an opposing team player below the knees (as in dodge ball).
- Combine the above exercises so that players can either take pinnies or pass to hit below the knee to eliminate opposing players.

CIRCLE OF DEATH

A great game for passing accuracy and vision and awareness BUT beware – players have to pass the ball with the side of the foot and aim to keep the ball low or else this one can get messy!

Set Up: Set up a big circle approximately 24 yards in diameter with a small circle inside

Instructions:

- “Pass” the ball to try to hit the players in the center below the knee only
- “Dodge” – the players in the centre can be as many as you want must try to dodge the incoming balls to stay alive
- “SINBIN” anyone that hits a ball over head height must kneel down and count to 20 before they can join in again

Variations

- Start with everyone in the middle and then play knock out where coach starts off as the only passer and once a player gets hit they must become a passer so by the end there is one winner
- Start with a set number of players in the middle and when they are hit they are simply replaced by the passer

TECHNICAL PRACTICES & FUN ACTIVITIES

THEME 3 PROGRESSING WITH THE BALL

Includes running with the ball, dribbling, turning.

DRIBBLING

ACTIVITY 1: "SOCCER 1 V 1"

SET UP:

- Up to 6 players, working in pairs;
1 ball per pair.

INSTRUCTIONS:

- "Go!" – Player 1 passes the ball to Player 2 who uses dribbling skills (e.g., turning, accelerating, faking, and shielding*) to move the ball to either target cone. Player 1 tries to take the ball away. Player 2 scores 1 point by dribbling the ball over a target cone by shielding and evading the pressure from Player 1. Player 2 scores 3 points by moving right away to accelerate past Player 1 and dribble over a target cone.

- "Switch!" – after 3 turns, Player 2 starts with the ball.

OPTIONS:

- "Shield!" – the receiving player practices shielding the ball before making a move to try and beat the defender.
- "Straight through!" – rather than shielding, the receiving player must move right away to dribble the ball past the defender.

* See illustration, p. 10

SMALL-SIDED GAMES—PASSING & ALL THEMES

ACTIVITY 3: “2 AGAINST 1” & 2 v 2

SET UP:

- Four players total (2 per team) with a goal at each end.
- Give animal names to the teams (i.e., “Cats” and “Dogs”) for added fun.

OPTIONS:

- “No hands!” – when you’re the goalkeeper, you can only use your feet.
- Same game with three players per team.

INSTRUCTIONS:

- The Cats have the ball and try to score on the Dogs’ net. One of the Dogs becomes the goalkeeper. The Cats must make at least one pass before shooting. If the Dogs get the ball, it’s their turn to try to score.
- Remember to use the side of your foot when passing!

2v2 PROGRESSION:

- If defender wins the ball and passes back to GK or GK saves then the GK can join to create 2v2
- Or Simply allow the 2 players from the defending team into the box to play 2v2 from the start. Make goals smaller or place balls on cones and to score players must pass the ball to knock them off.

DRIBBLING

ACTIVITY 3: “ON THE ATTACK”

SET UP:

- Up to 12 players, split into two equal teams; all but two players with a ball.
- Players without a ball (the defenders) move inside the centre square; the other players (attackers) line up opposite the goal.

INSTRUCTIONS:

- “Go!” – attackers dribble the ball towards the defender, and use their dribbling skills (e.g., faking, turning, shielding, and accelerating) to beat the defender before shooting on goal. The attacker then moves to the back of the line at the opposite end.

- “Switch!” – rotate defenders after each attacker has had 3 turns.
- Have players use different moves to try to beat their opponents (e.g. stepover, scissors*).

OPTIONS:

- Instead of tagging players, the defender tries to take the ball away. If successful, the other player becomes the defender.

* See illustration, p. 12

SMALL-SIDED GAMES—DRIBBLING & ALL THEMES

ACTIVITY 1: “ONE ON ONE” & 2 v 2 or 3 v 2

SET UP:

- Up to 12 players, working in pairs (1 attacker, 1 defender); 1 goalkeeper.
- One large goal; 2 smaller goals (or gates marked out with cones) at the opposite end of the field for defenders to aim for.

OPTIONS:

- If the defender wins the ball, he/she can dribble out or try to score a point by passing the ball into one of the two smaller goals.
- Add players to create a 2 v 2 or 3 v 3 game.

INSTRUCTIONS:

- Attackers line up at the end line opposite the goalkeeper. Defenders line up on one side of the field.
- “Go!” – the first defender passes the ball to the first attacker then runs onto the field to challenge for the ball. The attacker tries to dribble past the defender and shoot on net to score.
- “Switch!” – players swap roles. Continue until all players have had a turn as both attacker and defender.

DRIBBLING

ACTIVITY 5: “TROLL”

IMAGINE YOU'RE TRYING TO CROSS A BRIDGE THAT'S HOME TO A NASTY TROLL.

SET UP:

- Up to 12 players, each with a ball.
- A coach or parent is the “troll,” and moves on all fours or in a crab position.

OPTIONS:

- Players, standing upright, take turns being the troll.
- Start with more than one troll in the middle of the bridge.

INSTRUCTIONS:

- “Go!” – use your feet to move the ball across the bridge. Don't let the troll get the ball, and don't kick your ball off the bridge!
- “Turn!” – put your foot on the ball. Roll it backwards. Turn and continue dribbling in the opposite direction, back to the other side of the bridge.
- If your ball gets caught or falls off the bridge, you become a troll too!

ADAPTATION:

- Note: For this age group defenders should be allowed to stand and in order to switch defender must play the dribblers ball against the wall. If the attacker can tackle the ball back before the defender passes it against the wall then they can stay alive.

COORDINATION—DRIBBLING

ACTIVITY 1: “CAPTURE THE PINNIES!”

SET UP:

- Up to 12 players, in 2 teams.
No ball to start.
- Each player has a pinnie (or an old t-shirt) tucked into his/her shorts, hanging down roughly to the hem of their shorts.

INSTRUCTIONS:

- “Go!” – run around the field and try to “capture” all the opposing team’s pinnies by pulling them out of their shorts. The last player with a pinnie gets a point for their team.

OPTIONS:

- Each player has a ball, and must dribble it around the field while trying to capture the pinnies.
- Introduce a “knockout” format, where players who lose their pinnie (or have their ball kicked out of bounds) have to leave the field. The last remaining player wins a point for their team.

BALL-HUNT

This is a great game for multiple teams where each team takes a turn to split up and go into another teams box and be the hunters (example if you have 4 teams of 9 then three teams get to have a ball each and the fourth team send 3 players without balls into each of the other groups to be the hunters!)

SET UP:

- 8 reds have a ball each. Bring 4 players from another group into the box to hunt. The hunters must try to kick balls out of the playing area.

INSTRUCTIONS:

- “Get away” – dribblers must move away to protect their ball from the hunters!
- If your ball goes outside the box (even if you just kick it out yourself) you have to go and get it BUT before you can join in again you have to do a skill challenge (eg pick the ball up and do 5 knee/Thigh touches)

VARIATIONS

- If your ball goes out before you can go get it and join in again one of your team mates must pass their ball through your legs or play a wall pass with you.

KING OF THE RING

This is a great game for turning/shielding skills. It can be played as an individual game or a team variation.

Set Up

- Game can be played in a circle or square (tight space eg for 10 players 10 x 10 yard grid)
- Each player must have a Ball Each

Instructions

- Each player must dribble with their ball which they must protect from going out of the ring
- In order to get back into the ring they must do a skill challenge (eg 10 headers)
- “Dribble” – Look for space
- “Turn” – Keep your ball safe, protect the ball with your body when you turn

Variations

- Vary the skill challenge
- Team Variation – multiple teams can play. When multiple teams are in the ring you try to knock out players from other teams, when time is up which ever team has the most players outside the ring loses!

TECHNICAL PRACTICES & FUN ACTIVITIES

THEME 4 FINISHING

SHOOTING

ACTIVITY 2: “THROUGH THE GATE”

SET UP:

- Up to 12 players, working in pairs.
One ball per pair.

INSTRUCTIONS:

- “Shoot!” – use the top of your foot (laces) to shoot the ball past your partner. Each time you score you get a point. Take 5 shots and then switch roles.

OPTIONS:

- Shoot with your other foot.
- Each time you score, move your goal back one pace.
- “Switch!” – pair up with another partner.

SHOOTING

ACTIVITY 4: “MONKEY IN THE MIDDLE”

SET UP:

- Work in groups of 3 with a parent or teammate in the middle as goalkeeper.
- One ball per group.

OPTIONS:

- Shoot with your other foot.
- The goalkeeper bounces the ball to the player who tries to keep the ball low (below waist height) to score.

INSTRUCTIONS:

- “Shoot!” – use the top of your foot (laces) to shoot the ball past the goalkeeper.
- If the goalkeeper saves the ball, he/she turns around and rolls it to the player at the opposite end.
- The first player to score 3 times switches places with the goalkeeper.

SHOOTING

ACTIVITY 2: “PARALLEL PLAY”

SET UP:

- Up to 12 players, working in 4 small groups; 1 goalkeeper.
- Number the groups 1-4.

INSTRUCTIONS:

- “Go!” – the first player in Group 1 passes to the first player in Group 2, who receives the ball and shoots on goal. Repeat with Groups 3 and 4. Remember to control the ball and shoot in just 2 touches.

OPTIONS:

- “On the diagonal!” – Group 1 passes to Group 4. Group 3 passes to Group 2.
- “From the side!” – Groups 1 and 3 pass from the sides of the penalty area.
- “Challenge!” – After passing the ball, Group 1 and Group 3 players come out to challenge the shooter.

SHOOTING

ACTIVITY 3: “BERMUDA TRIANGLE”

SET UP:

- Up to 10 players, each with a ball, working in 2 teams; 1 goalkeeper.
- Coach/parent stands inside a triangle marked out with cones.

INSTRUCTIONS:

- “Go!” – the first player in line throws the ball to the coach/parent. The coach/parent catches the ball and rolls it to their left or right. The player chases the ball and shoots on goal, then runs to the back of the line.
- “Ground pass!” – instead of throwing the ball, the player passes to the coach/parent. The coach/parent passes it back just beyond the triangle. Players

try to get the ball past the coach/parent in just one touch (with the inside or outside of the foot) before shooting.

OPTIONS:

- “Challenge!” – Put a player in the triangle rather than a coach/parent, and have them come out to challenge for the ball after passing it to the shooter. After one turn, the shooter moves to the triangle, and the player in the middle moves to the back of the line.

SMALL-SIDED GAMES—SHOOTING

ACTIVITY 1: “SHOOT ON SIGHT”

SET UP:

- Two teams of 3 players each.
- Use cones to divide the field into 3 equal zones. In the middle zone, use 2 flags or cones to mark out a goal. Team 1 players are the attackers and start with the ball. Team 2 players start as the defenders.

OPTIONS:

- Teams get an extra point if they score a one-touch goal (i.e. pass to a teammate who shoots with his first touch).
- Add a defender to support the goalkeeper and create a 3 v 1 game.

INSTRUCTIONS:

- “Go!” – one player from Team 2 goes into the middle zone as the goalkeeper. Team 1 tries to score. After each shot on goal (unless the shot rebounds back into the attacking team’s zone), the teams switch roles.
- Players must shoot from inside their zone.

SMALL-SIDED GAMES—DRIBBLING & ALL THEMES

ACTIVITY 1: “ONE ON ONE” & 2 v 2 or 3 v 2

SET UP:

- Up to 12 players, working in pairs (1 attacker, 1 defender); 1 goalkeeper.
- One large goal; 2 smaller goals (or gates marked out with cones) at the opposite end of the field for defenders to aim for.

OPTIONS:

- If the defender wins the ball, he/she can dribble out or try to score a point by passing the ball into one of the two smaller goals.
- Add players to create a 2 v 2 or 3 v 3 game.

INSTRUCTIONS:

- Attackers line up at the end line opposite the goalkeeper. Defenders line up on one side of the field.
- “Go!” – the first defender passes the ball to the first attacker then runs onto the field to challenge for the ball. The attacker tries to dribble past the defender and shoot on net to score.
- “Switch!” – players swap roles. Continue until all players have had a turn as both attacker and defender.

HEADING

ACTIVITY 3: “USE YOUR HEAD!”

SET UP:

- Four players, working in 2 teams; 1 ball.
- Number players (1-4); Players 1 & 2 are on one team, Players 3 & 4 on the other.

INSTRUCTIONS:

- “Go!” – Player 1 holds the ball and serves it to Player 2, who tries to head it past Player 4 on the opposite side of the square. Then Player 4 serves the ball to Player 3, who tries to head it past Player 1. Continue until Players 2 & 3 have each headed the ball 3 times, then switch roles so that they become the servers and Players 1 & 4 head the ball.
- Rotate players frequently.

OPTIONS:

- Allow players to head the ball past either opponent so they have to choose which goal to aim for.
- “No hands!” – goalkeepers cannot use their hands to save the ball; instead, they try to head their opponent’s shot back into the opponent’s goal.

TECHNICAL PRACTICES & FUN ACTIVITIES

THEME 5 DEFENDING

DRIBBLING

ACTIVITY 1: "SOCCER 1 V 1"

SET UP:

- Up to 6 players, working in pairs;
1 ball per pair.

INSTRUCTIONS:

- "Go!" – Player 1 passes the ball to Player 2 who uses dribbling skills (e.g., turning, accelerating, faking, and shielding*) to move the ball to either target cone. Player 1 tries to take the ball away. Player 2 scores 1 point by dribbling the ball over a target cone by shielding and evading the pressure from Player 1. Player 2 scores 3 points by moving right away to accelerate past Player 1 and dribble over a target cone.

- "Switch!" – after 3 turns, Player 2 starts with the ball.

OPTIONS:

- "Shield!" – the receiving player practices shielding the ball before making a move to try and beat the defender.
- "Straight through!" – rather than shielding, the receiving player must move right away to dribble the ball past the defender.

* See illustration, p. 10

SMALL-SIDED GAMES—PASSING & ALL THEMES

ACTIVITY 3: “2 AGAINST 1” & 2 v 2

SET UP:

- Four players total (2 per team) with a goal at each end.
- Give animal names to the teams (i.e., “Cats” and “Dogs”) for added fun.

OPTIONS:

- “No hands!” – when you’re the goalkeeper, you can only use your feet.
- Same game with three players per team.

INSTRUCTIONS:

- The Cats have the ball and try to score on the Dogs’ net. One of the Dogs becomes the goalkeeper. The Cats must make at least one pass before shooting. If the Dogs get the ball, it’s their turn to try to score.
- Remember to use the side of your foot when passing!

2v2 PROGRESSION:

- If defender wins the ball and passes back to GK or GK saves then the GK can join to create 2v2
- Or Simply allow the 2 players from the defending team into the box to play 2v2 from the start. Make goals smaller or place balls on cones and to score players must pass the ball to knock them off.

DRIBBLING

ACTIVITY 3: “ON THE ATTACK”

SET UP:

- Up to 12 players, split into two equal teams; all but two players with a ball.
- Players without a ball (the defenders) move inside the centre square; the other players (attackers) line up opposite the goal.

INSTRUCTIONS:

- “Go!” – attackers dribble the ball towards the defender, and use their dribbling skills (e.g., faking, turning, shielding, and accelerating) to beat the defender before shooting on goal. The attacker then moves to the back of the line at the opposite end.

- “Switch!” – rotate defenders after each attacker has had 3 turns.
- Have players use different moves to try to beat their opponents (e.g. stepover, scissors*).

OPTIONS:

- Instead of tagging players, the defender tries to take the ball away. If successful, the other player becomes the defender.

* See illustration, p. 12

SMALL-SIDED GAMES—DRIBBLING & ALL THEMES

ACTIVITY 1: “ONE ON ONE” & 2 v 2 or 3 v 2

SET UP:

- Up to 12 players, working in pairs (1 attacker, 1 defender); 1 goalkeeper.
- One large goal; 2 smaller goals (or gates marked out with cones) at the opposite end of the field for defenders to aim for.

OPTIONS:

- If the defender wins the ball, he/she can dribble out or try to score a point by passing the ball into one of the two smaller goals.
- Add players to create a 2 v 2 or 3 v 3 game.

INSTRUCTIONS:

- Attackers line up at the end line opposite the goalkeeper. Defenders line up on one side of the field.
- “Go!” – the first defender passes the ball to the first attacker then runs onto the field to challenge for the ball. The attacker tries to dribble past the defender and shoot on net to score.
- “Switch!” – players swap roles. Continue until all players have had a turn as both attacker and defender.

COORDINATION—CONTROL & DEFENDING

ACTIVITY 4: “RONDO SWITCH”

SET UP:

- Up to 12 players, in 2 groups; 1 ball per group.
- Each group has 4 attackers and 2 defenders, and play in adjacent squares.

OPTIONS:

- Give each defender a ball so they have to dribble while trying to intercept the attackers' passes.
- Use additional defenders to create a 4 v 3 or 4 v 4 situation.

INSTRUCTIONS:

- “Go!” – attackers try to complete 5 passes in a row. Defenders must win the ball 3 times before swapping roles with the attackers.
- “Transfer!” – any player, at any time, can pass the ball to someone in the next square—a trigger for players in the receiving square to immediately pass their ball to an attacker on the other side.

PASSING & DEFENDING

ACTIVITY 4: "TRANSFER PASS"

SET UP:

- Up to 8 players, in 2 teams of 4 players each.
- Use cones to mark out 2 adjacent squares on the field, as shown.
- Name the teams: A (red) & B (white).
- Set up a 4 v 2 in one square, with 4 Team A players (attackers) and 2 Team B players (defenders); the other Team B players start in the adjacent square.

OPTIONS:

- Increase the number of passes to score a point.
- Every player on the attacking team must touch the ball at least once.
- Allow 1 additional defender to challenge for the ball, creating a 4 v 3 situation.

INSTRUCTIONS:

- "Go!" – Team A starts with the ball and tries to pass 5 times without Team B intercepting it. If Team B (defending) wins the ball, they pass to their teammates in the other square. Team B then becomes the attacking team and Team A must send in 2 players to try to win the ball back.

DRIBBLING

ACTIVITY 5: “TROLL”

IMAGINE YOU'RE TRYING TO CROSS A BRIDGE THAT'S HOME TO A NASTY TROLL.

SET UP:

- Up to 12 players, each with a ball.
- A coach or parent is the “troll,” and moves on all fours or in a crab position.

OPTIONS:

- Players, standing upright, take turns being the troll.
- Start with more than one troll in the middle of the bridge.

INSTRUCTIONS:

- “Go!” – use your feet to move the ball across the bridge. Don't let the troll get the ball, and don't kick your ball off the bridge!
- “Turn!” – put your foot on the ball. Roll it backwards. Turn and continue dribbling in the opposite direction, back to the other side of the bridge.
- If your ball gets caught or falls off the bridge, you become a troll too!

ADAPTATION:

- Note: For this age group defenders should be allowed to stand and in order to switch defender must play the dribblers ball against the wall. If the attacker can tackle the ball back before the defender passes it against the wall then they can stay alive.

BALL-HUNT

This is a great game for multiple teams where each team takes a turn to split up and go into another teams box and be the hunters (example if you have 4 teams of 9 then three teams get to have a ball each and the fourth team send 3 players without balls into each of the other groups to be the hunters!)

Set Up:

- 8 reds have a ball each. Bring 4 players from another group into the box to hunt. The hunters must try to kick balls out of the playing area.

Instructions:

- “Get away” – dribblers must move away to protect their ball from the hunters!
- If your ball goes outside the box (even if you just kick it out yourself) you have to go and get it BUT before you can join in again you have to do a skill challenge (eg pick the ball up and do 5 knee/Thigh touches)

Variations

- If your ball goes out before you can go get it and join in again one of your team mates must pass their ball through your legs or play a wall pass with you.

OPPOSED TECHNICAL DRILLS & GAMES

SMALL SIDED GAMES

3v3,4v4 or 5v5

Options

- Add Gk's
- Option to add a neutral or even two neutrals

Choose the SSG to match your theme;

Theme 1/2 – PASSING & BALL MASTERY – choose a PASSING SSG

- Limit touches on the ball

Theme 3 – PROGRESSING WITH THE BALL – choose a DRIBBLING SSG

- Use gates or endzones to dribble into as the scoring objective

Theme 4 - FINISHING – choose a SHOOTING SSG

- Use neutrals to favour attacking and create more shots
- Use actual goals (and good to add a GK)

Theme 5 –DEFENDING – choose any the SSG indicated in the TITLE

Coaching the SSG

- Simply look to praise positive examples of player trying to execute the theme. During timeouts or water breaks have the players get together to discuss how they can do better at the theme

ORGANISATION

- No Offsides
- No positions – players should just be free to play with no organisation or predetermined positions.
- No retreat line
- Where possible Walls count as in play
- Restarts – 5 Second Rule! If a team does not get the ball back in within 5 seconds then possession goes to the other team
 - After a goal the coach can restart by throwing the ball up or you can do a goal kick but this can be time consuming.
 - Where using a gym with a central field divider then coach should use discretion whether this should be classed as out of play.
 - If throw ins are required a throw in or a kick in is acceptable but there should be a 3 second limit
- Goalkeepers – they are not always required but sometimes they will be used for example when doing shooting - if you do have a GK then be sure to rotate the players thru the position.
- Give positive praise when you see players passing! But remember that at these ages we also want to see them dribbling!

SCORING OPTIONS

- 5v5 goals – with GK
- Hockey sized small goals – no GK
- Use cones to set up a goal the proper size for the age group
- Pass a ball to hit the end wall or a bench
 - Progressions must pass 1 touch to hit the wall/bench
 - & or must pass a ball off the wall to another teammate prior to opposition touching it.
- Knock off balls balanced on cones
- Dribble or pass through gates or into end zones
- Multiple goals (2 or 3 goals at each end)
- 1 touch finish only to score (great option when there are no gk's)
 - Or Award Multiple points for 1 time finishes

CONDITIONS

- Limit touches to 3 touch
- Head or waste height rule – free kick to opposing team if you kick it over height
- Every player must be past the $\frac{1}{2}$ way line when a goal is scored for it to count (do not apply this rule when splitting gym in two and playing cross ways)

SMALL-SIDED GAMES—DRIBBLING & DEFENDING

ACTIVITY 1: “THROUGH THE GATES” OR “INTO THE ENDZONE”

SET UP:

- Up to 8 players, in 2 teams; 1 ball.
- Use cones to mark out 4 corner gates.

INSTRUCTIONS:

- “Go!” – your team scores a point by dribbling the ball through one of the other team’s gates. Work with your teammates in an attacking “triangle,” where the two players on the outside support the dribbling player by getting into space and providing options for passes.

OPTIONS:

- Allow players to pass to a teammate through a gate to score.
- Add a third gate in the middle of the field that either team can use to score.

SMALL-SIDED GAMES—PASSING & MASTERY

ACTIVITY 1: “GATE PASS”

SET UP:

- Eight players, in 2 equal teams.
- Four corner gates marked out with cones.

INSTRUCTIONS:

- “Go!” – score a point by passing the ball through one of the other team’s gates. When your team has the ball, work with your teammates in a triangle, with the two side players getting into space for a pass to support the teammate with the ball.

OPTIONS:

- Players must pass through the gate to a teammate (who receives it under control) to score a point.
- Add a 3rd gate in the middle of the field where either team can score.

SMALL SIDED GAMES - PROGRESSING WITH THE BALL

ACTIVITY: “SIDEWAYS GAMES”

SET UP:

- Usually a field is longer than it is wide! For these games we flip that so it's wider than long. This will promote Progressing with the ball (turning & dribbling in particular).
- Divide gym in half and Play 3v3 or 4v4.

INSTRUCTIONS:

- To score you must either pass through a gate, or knock balls of cones.

OPTIONS:

- Designate an end zone line that players must get over before they can shoot or pass to score

SMALL-SIDED GAMES—PASSING & MASTERY & DEFENDING

ACTIVITY 4: “DOUBLE NEUTRAL”

SET UP:

- Up to 12 players, in 2 teams; 1 goalkeeper per team.
- Play up to 5 v 5, with 2 additional neutral players (in different coloured pinnies or t-shirts).

INSTRUCTIONS:

- “Go!” – proceed with a normal soccer game, with neutral players supporting whichever team has the ball.
- When the ball goes out of bounds, use kick-ins rather than throw-ins to reinforce proper passing technique.
- Teams must make at least 3 consecutive passes before shooting on goal.

- Try to pass quickly in just 2 touches (one to control the ball, the other to pass).

OPTIONS:

- Rotate goalkeepers.
- Remove the neutral players and play 6 v 6.
- Teams must make at least 5 consecutive passes before shooting on goal.

SMALL-SIDED GAMES—PASSING & MASTERY

ACTIVITY 1: “PASSING FOR POINTS”

SET UP:

- Up to 12 players, in 2 equal teams; plus 2 goalkeepers.

INSTRUCTIONS:

- “Go!” – proceed with a normal game, but players are limited to only three touches before they have to pass to a teammate. More than three touches means the other team gets the ball.
- Use kick-ins rather than throw-ins if the ball goes out of bounds.

OPTIONS:

- Team scores an extra point if at least 3 players touch the ball before a shot on goal.
- The number of passes leading up to a goal adds to team's total points (i.e. 3 passes before a goal equals 4 points).

SMALL-SIDED GAMES—SHOOTING

ACTIVITY 3: “SHOOT IN 4”

SET UP:

- Up to 12 players, in 2 equal teams; plus 2 goalkeepers.

INSTRUCTIONS:

- “Go!” – proceed with a normal game, but players have a maximum of four touches on the ball before shooting.
- Players get an extra point if they complete a one-touch goal (i.e. without controlling the ball first).

OPTIONS:

- Add neutral players (in different coloured pinnies or t-shirts) positioned wide on opposite sides of the field to support whichever team has the ball.
- Players who complete a one-touch goal on a cross-pass from one of the neutral players get 3 points.

SMALL-SIDED GAMES—SHOOTING

ACTIVITY 4: “4 GOAL GAME”

SET UP:

- Eight players, in 2 equal teams; plus 4 goalkeepers.
- Place a goal (or mark out a goal with cones) on all 4 sides of the field.

INSTRUCTIONS:

- “Go!” – one team tries to score on the 2 goals on the end lines, while the other team tries to score on the 2 goals on the sidelines.
- The first team to score 2 goals wins! Players from the losing team switch places with the goalkeepers.

OPTIONS:

- Allow both teams to score on any one of the 4 goals.
- Players get an extra point if they complete a one-touch goal (i.e. without controlling the ball first).

HEADING

ACTIVITY 5: “THROW, HEAD, CATCH”

SET UP:

- Up to 12 players, working in 2 teams; 1 ball.
- Use cones to mark out 2 end zones.

- Introduce the offside rule:

players can't stand in the end zone to wait for a pass, but can only run to receive when the ball is thrown or headed into the end zone.

INSTRUCTIONS:

- “Go!” – the object of the game is to get the ball into the other team's end zone. Players move the ball up the field by throwing it to a teammate, who heads the ball to another teammate to catch. Then that player throws the ball to another teammate to head, etc. Continue the sequence of throw, head, catch. Players have to stand still when they're in possession of the ball. If the other team intercepts the ball, it's their turn to try and score a point.

OPTIONS:

- Add goals and goalkeepers. Continue the sequence of throw, head, catch, but now the players try to head the ball into the other team's net.

SMALL-SIDED GAMES—SHOOTING

ACTIVITY 1: “A SCORING COMBINATION”

SET UP:

- Eight players, in 2 teams; plus 2 goalkeepers.
- Use cones in diagonal lines on both sides of the field to narrow the playing area from the halfway mark to the goal posts, and to mark out the halfway line.
- Two players from each team must stay in their designated half of the field.

INSTRUCTIONS:

- “Go!” – players try to score on the opposing team’s goal. Only players in their own team’s half of the field can shoot (i.e. the defenders). Their teammates in the other half can pass back to create shooting opportunities.

OPTIONS:

- Only players in the opposing team’s half of the field can shoot on goal (i.e. the attackers).
- Players get an extra point if they complete a one-touch goal (i.e. without controlling the ball first).
- Allow players to move from one half to the other and allow any player to shoot from anywhere in the playing area.
