Parents, players, and fellow lacrosse families,

The QCMBL Board has been actively monitoring the COVID-19 situation as it relates to not just the sporting world but also the general health and safety of everyone involved. After much deliberation and consultation, we as a board, have decided to postpone the Barracuda 'A' try-outs this upcoming weekend. This decision has not been made lightly with all possibilities and options being discussed and considered. We will continue to monitor the situation and update everyone as it pertains to the Winter clinics, upcoming house league evaluations, Barracuda try-outs, and the QCMBL season.

We hope you can all understand that this decision was not made lightly but we feel that everyone's health is our top priority. We will continue to provide updates on a weekly basis as the situation evolves and progresses.

Thank you for your patience and understanding.

QCMBL President
Danita Achtemichuk
