

## QUIKCARD EDMONTON MINOR HOCKEY WEEK

### Coaches Information

Welcome to the 57<sup>th</sup> edition of the Quikcard Edmonton Minor Hockey Week tournament.

All coaches must be wearing a current QEMHW button when entering the arena, whether your association has bought and supplied them for you, or you purchase them at the arena.

Please ensure you have your HCR Roster available to present to the Arena Manager before each game you play, either in paper or PDF format. Please ensure that you have an accurate, current version in your possession. **Teams and their respective registrars have the sole responsibility for ensuing players and coaches are listed on rosters in advance of the game.**

Access to dressing rooms **will not be available until 45 minutes before** your scheduled game at the earliest. Please be aware that if games are running behind you may be delayed getting into your room. Do not show up 60 minutes prior and expect to get into your room.

The length of all games is noted on the top of the schedules. Games are run time with the exception of the last 2 minutes of the game – 5 minutes in Championship Games. The clock will not stop for any reason during run time play.

There are **NO** timeouts allowed during MHW.

As per Hockey Canada rules a maximum of 5 coaches, each of whom must be named on your HCR Team Roster, are allowed on the bench at any time.

All of the individuals working at the games from Arena Managers, Referees, Timekeepers button sellers to shift checkers are volunteers. Please respect them and their decisions. Like yourselves they are VOLUNTEERS and integral to the game and minor hockey week

At no time are there parents allowed on the ice surface, this includes the finals.

.

Good luck and enjoy the tournament.

Thanks,

QEMHW Committee
