CT5	15:45	SN305	EF354
CT6	15:45	HK306	SG307
CT7	15:45	KC306	SA311

## THINGS TO REMEMBER

- All participants will enter through the main Cattail entrance. There will be a drop-off zone for players and their parent chaperones. Parking in front of the clubhouse will be on a first-come, first-served basis, with priority given to those with mobility issues. Overflow parking will be available if needed, and volunteers will be directing traffic.
- Dressing: Players must arrive dressed in their gear, as there are no designated dressing rooms. Skates can be put on in the central "Hockey Village" outdoor area near the rinks or at the provided hay bales.
- Coach Check-In: A coach or manager should check in at the table in the main banquet room upon arrival.
- No Referees: At least one (1) coach per team must be on the ice, equipped with skates and a helmet, to supervise the game.
- Refreshments: Hot chocolate, pizza, and other snacks will be available at beverage carts outside and in the banquet area.
- Spectators: Please bring winter clothing and boots with cleats, as it can be slippery on the ice. Cleats will be available for purchase at the caddy shack and on the beverage carts. Parents are encouraged to bring lawn chairs for added comfort.
- Maps: Maps showing the locations of rinks will be available on beverage carts and in the banquet room.
- This event is all about celebrating the joy of hockey in its purest form. Dress warmly, bring your team spirit, and prepare for a weekend of unforgettable memories at this magical winter venue.
