If your son wants to opt out of the AAA tryouts and start directly at AA please email me at midgetdirector@raidershockey.ca and I will advise the coaching staff.

If your son is attending a Junior camp and will be missing some or all of the tryout skates please email team Manager Russ Stevenson at russequip@shaw.ca and CC: me midgetdirector@raidershockey.ca with the dates he will be missing and the camp he is attending.

*** ADM Change for Midget AAA cuts:

There are changes with respect to the Alberta Development hockey model. There will be no movement of players who are cut unless they have been registered on HCR, i.e. on the 40-man roster. This effectively means that all the early cuts are trying out for Midget AA as they cannot go anywhere. This will facilitate creation of our AA teams much quicker. Please note that if a 15-year-old is cut from Major Midget, he can then try out for the AMMHL (15 AAA). If he is cut at that point, then as a 15-year-old, he still has the right to travel to the next closest zone to try out for another 15 AAA team as before.

Player Releases:

As per Hockey Alberta ADM procedure, all Elite AAA Player Movement is overseen by the respective league governors.
