

## **Vision Statement**

The Vision of the St. Albert Raiders Hockey Club is to be recognized as an elite, progressive and successful hockey club, pre-eminent in Alberta for its successful and competitive teams, and for providing a positive hockey experience for all participants. While acting with fairness and integrity, and insisting upon personal responsibility, accountability and commitment from all involved, the St. Albert Raiders Hockey Club strives to build confident, creative, disciplined teams, possessing a high degree of initiative, that are successful both on and off the ice. In so doing, the St. Albert Raiders Hockey Club is bound:

- a) To establish an Elite Hockey Development program for Bantam and Midget age category participants from the City of St. Albert and surrounding communities comprising its Elite Hockey Development Draw zone.
- b) To foster the development of all participants, particularly through teaching the values of respect, commitment, discipline and teamwork, as well as building individual and team skills of all involved, such that these young individuals develop as athletes, leaders and valued members of the community
- c) To develop, encourage, support, and foster coaches for an Elite Hockey Development program at the Bantam and Midget age category levels.
- d) To provide an opportunity for area athletes to develop and compete at an elite hockey level and to implement and to support Hockey Alberta's Elite Development model and programs.
