

## 2025 Tradition Lives Tournament

Welcome to the 33<sup>rd</sup> Annual Tradition Lives Box Lacrosse Tournament!

Please review the following package for information about the tournament.

### TEAM RESPONSIBILITIES

- Please reference the Tradition Lives Tournament website and this package for tournament rules and regulations.
- A summary of the ALA 2025 Tournament Guide is included in this package, the full document can be found on the website.
- Please be advised that RAMP software does not calculate tournament standings as per the ALA Tournament Guidelines. Following your team's final round-robin game, please check the website for team/division standings and the time of your next game. All team managers will be notified by email regarding their next game time once the division round-robin games are finished and standings finalized. If you do not receive an email or are unsure of your next game time, please contact the Tournament Coordinator at [tlivesrdla@gmail.com](mailto:tlivesrdla@gmail.com).
- For each game, **two parents** from each team will need to volunteer in the scorekeeper's box. The jobs required are:
  - Timekeeper (Home team)
  - Scorekeeper (Visitor team)
  - 2 people to run penalty boxes (one of these people will also run the shot clock, if shot clock is applicable).
- The white game sheets and any referee write ups must be turned in by the home team to the Rink Rep table immediately following each game.
- Please see tournament rules and directions regarding completion of game sheets, discipline procedures, game structure, and specific guidelines for the U9 division.
- Please ensure that overage, underage, and affiliate players are specified on each game sheet.

### COACHES INFORMATION

- Balls for warmup will be provided for both teams.
- To ensure a clean environment for all participants, please leave the dressing room clean after each use. Your team will be held responsible for any damage.
- Please let your players know that no lacrosse balls are to be used outside of the playing field. Balls will be confiscated. We have had damage to the inside/outside of our buildings in past years, and there are now surveillance cameras. Please let players and parents know that they will be responsible for damages caused by not following this rule.

The Tradition Lives Tournament embraces the spirit of fair play and sportsmanship. Abuse of any kind, by anyone, towards players, referees, timebox parents, coaches, fans, etc., will not be tolerated.

### PLAYER OF THE GAME

- At the conclusion of the game, please have your team line up on the Restraining Line. A Player of the Game (one per team) will be awarded for each game played, with the coaches deciding on their own players.
