TEAM RESPONSIBILITIES

Please reference the Tradition Lives Tournament website for all tournament rules and regulations. A summary of the ALA 2022 Tournament Guide is included in this package, the full document can be found on the website.

Please be advised that RAMP software does not calculate tournament standings as per the ALA Tournament Guidelines. All teams will be notified Sunday by 11:00pm of their standing and game times on Monday. If you do not receive an email please contact the Tournament Coordinator at tlivesrdla@gmail.com.

For each game, **two parents from each team will need to volunteer** in the scorekeepers box.

The jobs required are:

- Timekeeper (Home team)
- Scorekeeper (Visitor team)
- 2 people to run penalty boxes (one of these people will also run the shot clock).

Due to the official shortage, parent volunteers will need to run the shot clock in all games.

The white game sheets and any referee write ups must be turned in by the **home team** to the rink manager table immediately following each game.

Please see tournament rules and directions regarding completion of game sheets, discipline procedures, game structure, and specific guidelines for the U8 division.

Please ensure that overage, underage, and affiliate players are specified on each game sheet.
