

RED DEER MINOR HOCKEY

Personal Biography:

I have been an active member of the Red Deer Minor Hockey Board for the past six years, and I am deeply passionate about supporting our athletes and in particular the growth our female program in our association.

My extensive background in the sport, both as a parent of hockey players, managing teams and as a volunteer with the Western Hockey League, has given me a broad understanding of the challenges and opportunities in minor hockey.

Throughout my time on the Board, I have had the privilege of contributing to the organization in several ways, including serving on the Discipline Committee, the Special Events Committee including organizing annual events like our Board Retreat, our annual BBQ, and golf tournaments, and playing a role in key decisions such as hiring our General Manager. These experiences have allowed me to build a comprehensive skill set in event planning, fundraising, and team management—skills that I believe are crucial for a board member to be effective and make a meaningful impact.

I pride myself on my ability to collaborate effectively with fellow board members, coaches, and parents. Whether through facilitating open discussions or using my conflict resolution skills developed through my role on the Discipline Committee, I work to ensure that all voices are heard, and decisions are made in the best interest of the players and the community.

Looking ahead, I am excited to continue working towards the goal of growing Red Deer Minor Hockey, with a particular focus on fostering opportunities for players to thrive both in sport and in life. I am committed to helping shape the future of this program, ensuring it remains a supportive and inclusive environment for all players.

RED DEER MINOR HOCKEY

Red Deer Minor Hockey Serves over 1300 Athletes, and has continued to thrive, what does the future of RDMHC look like to you, explain?

During my time on the Board over the past 6 years, I have seen our membership grow extensively. I feel that together we have made excellent strides to improve our practices and programs. It has been our goal to continue to encourage and develop our athletes and we have been forward-thinking in our ideas and will continue to do what is best for all our minor hockey players.

The Success of a Board of directors requires skilled governors. Please explain what governance skills, you think are important to the success of The Board?

I feel that I possess a good combination of hockey knowledge, effective communication skills as well as the ability to work collaboratively in team. I have extensive experience in conflict resolution as well as I pride myself in having responsibility and integrity in my role on the Board.
