President Update Carolyn Normand	COVID is still a huge factor in our lives, and definitely in the sport of ringette. We know that the Omicron variant spreads quickly, so please remain vigilant and try to limit exposure wherever possible. We continue to stay in close contact with Ringette Alberta and provide updates to our members as we receive them. Please remember that if tournaments are cancelled due to covid, scheduling of "mini-tournaments" needs to be approved by the RDR executive. We are very happy that we've been able to have a very close to normal season so far, and hope to be able to finish out the remainder of the season with limited impacts. I also want to congratulate everyone for the safe/successful execution of the annual Friends on Ice tournament. We were very happy to see it back in action after a year's hiatus. Ringette Alberta sent out a communication today concerning potential playdowns and provincial format modifications. Further communication from BGL/RAB will be sent out as soon as available.	 Mini tourney's need to be sanctioned by ringette alberta Recommendation to spread out weekends to limit teams having to forfeit due to illness. Stay tunes for more information
