<p>President Update:</p> <p>Carolyn Normand president@reddeerringette.com</p>	<p>As we move into the second half of the season, it's been great to see the continued development and commitment across all our teams. Tournament play has been a highlight, with strong performances that reflect the hard work of our athletes and coaches. Congratulations to U12C for capturing gold, and to U14C and U16C for earning silver at FOI.</p> <p>I would also like to extend a sincere thank you to everyone who helped make Friends on Ice such a success again this year. Your time, energy, and dedication continue to make a meaningful impact on our association and community!</p> <p>Nomination forms for the executive positions will open February 1st. <p>Black Gold League Rep:</p> <p>Carolyn Normand, Bryan Ryder, Kim Tang</p> <p>bglrep@reddeerringette.com bglrep2@reddeerringette.com</p>	<p>Note from BGL;</p> <p><i>We have had a lot of interesting weather over the break from cold temperatures, lots of snow, freezing rain and even more snow. To that end, based on the weather forecasts and AMA road reports it is expected that all teams should be able to travel this weekend for their games. Please plan accordingly and allow extra time for travel.</i></p> <p><i>Just before we entered the break the league received multiple reports and complaints about poor behaviour towards referees. I want to remind everyone that the league has a zero tolerance on abuse towards referees. Let's remember that without refs there are no games. Let's also remember that they are humans, often young adults that are also learning and improving their skills as a ref just like the players and coaches. We do not have the luxury of instant replay, 20 camera angles, 4 on ice officials, or the ability to call "Toronto" for a review. We have 2 officials and that's it. Let's treat them kindly and have calm constructive conversations or questions about calls. As session 2 comes to an end some divisions will be heading into Session 3. The importance of the games ramp up and so do the emotions. Moving forward the league will issue suspensions and or fines for abuse to referees.</i></p>
