<p>Ice Allocation Mike Sullivan</p>	<p>Pre-season ice requests are in: Rustbusters - Aug 15-19 3v3 - Aug 20-21 Evals - Planned to start Sep 2, TBC in July/Aug</p> <p>22 reschedules processed in Session 1 to date. Similar story across the</p>	

	<p>league. Have 1 or 2 more in the que for the 16A's.</p> <p>Quick responses from coaches/managers has helped close reschedules out quickly.</p> <p>Extra ice pickup - Start of the season allows me to leave extra ice open as we are inside the 14 day return policy anyway but as the chaos slows down I can return ice to prevent extra expense to the association. We have never formalized a process or expectations around open ice - should a limit/team should be set for each session or something. Most teams have picked up at least one but some are already up to 6.</p> <p>U10 Schedule to Nov 20 is done, have left Nov 27 open as U10 S1&2 teams are applying to LAC tourney.</p> <p>Session 2 ice to go in on Nov 9.</p> <p>Feedback from Arena attendants has been very positive for our families following the REP requirements. Reminder, as of Monday Oct 25, two shots administered 14 days prior were required and by Nov 15, QR code will be the only accepted record to present.</p> <p>Blackout request has been sent, I will send a reminder in a week. Has to be submitted by Nov 13.</p> <p>A new ice allocator will be needed next year. This is a 10 month heads up. I will commit to getting 2022/2023 season ice requests in, supporting 3v3, RB and Evals and draft the practice schedule to start next season but someone needs to take over ice management at the</p>	<p>Extra ice is communicated to all coaches.</p> <p>Do we charge for extra ice next year as team have not set a budget to cover this for 2021-2022 season Pick up a max of 3 per session, everything above will be charged to the team?</p> <p>If you are interested, please let Mike or Carolyn know</p>
