<p align="center"><b>U12 &amp; Up Evaluations</b> Erin Luke &amp; Kim Tang <a href="mailto:evaluations@reddeerringette.com">evaluations@reddeerringette.com</a></p>		<p>U12/U14 Parent concerns Can this not be on the long weekend? U10/U12 next year weighting may change (skills/games) U14- losing 9 players made the evaluation challenging. This made for a large game, but for a longer period of time. U19- how is it decided to have AA and B? How does the association decide not to have an A team? - Answer: If a team was categorized incorrectly, it would be adjusted. What have they played before, what is the best fit. Is the evaluation process posted on the website: Answer: Yes <a href="#">Evaluations Manual</a> St Albert takes 25% of their score from the previous year. Have we considered this? This would help decision making. Answer: Yes, the committee considered this. There are pros and cons to this. Other associations also do a coach review. (attitude, attendance etc.) Can evaluations spread over more than one weekend? 2 weekends would be ideal, but not all kids get that opportunity. How do you score someone if they can't skate? Answer: The previous year's season.</p>

		<p>Why were some kids getting more ice time than others?          Same core group of evaluators.          Apx. 5 evaluate one team at a time          Committee will brainstorm ways to evaluate when the group is an odd number of players          (example:some girls played 4 games and some girls played 2)          Can we know ahead of time when ice times will be? Answer: No. It can not be predetermined which games a player will be required to skate in          Please send any feedback to the evaluation committee          email:<a href="mailto:evaluations@reddeerringette.com">evaluations@reddeerringette.com</a></p>
<p><b>Children’s Ringette</b></p>	<p>‘Come Try It’ was successful.          Two players registered from this event</p>	<p>Can we offer another one?          Ice time can be an issue, but possibly, Thanksgiving weekend Innisfail would like to offer a come try it session          Can we offer a ‘bring a friend night’?</p>
