President Update: Carolyn Normand president@reddeerringette.com	I want to thank everyone who supported evaluations this year. From our evaluations committee members to the volunteers and families who helped keep things running smoothly, your time and effort are greatly appreciated. Evaluations are a huge undertaking, and they wouldn't be possible without all of you. As we move into the season, I do want to highlight a couple of areas where we continue to face challenges. Like many associations, we are experiencing shortages in both coaches and goalies across divisions. We're actively working to secure volunteers and players to fill these important roles, but I encourage everyone to spread the word within your networks. If you know of someone who may be interested in stepping into a coaching role or giving goaltending a try, please connect them with us.. I also want to take a moment to remind everyone that we take our Code of Conduct very seriously. Respect, inclusion, and sportsmanship are core values of our association, and we will not tolerate any form of bullying or inappropriate behavior, on or off the ice. Ringette should be a safe and positive environment for all players, coaches, officials, and families, and we all share responsibility in upholding these standards. Alberta Winter Games: Non-AA Athletes 2010/2011 birth years, Lakeland District February 13-16th Waitlist has been opened up until October 1st. People are not guaranteed to get in, but will be notified in the event there's space and/or an athlete withdraws. Teams are now formed, and practices are underway. If you need any support please reach out to the Coaching Director, or through division coordinators. Best of luck to all of our teams this season!
