

Rage Evaluations - March 2024

U9 competitive

U11 A, B and C teams

Thank you to everyone who signed up for evaluations starting March 16. Between both age groups there are over 50 athletes who will take part in the [Rage fastball evaluation process](#). All evaluations will take place at the Collicut soccer fields from 9:30AM - 4:00 PM. Athletes will need gym clothes, running shoes (no cleats), water bottle and ball gear. If an athlete signed up for catcher evaluations but does not have catcher gear there will be some available but we cannot guarantee sizes.

In order to ensure evaluations run smoothly in the confined time frame please make sure to show up 30 minutes prior to your time slot to sign in and warm up as the evaluation will start on time.

Each athlete will have the opportunity to evaluate on separate days with the highest score counting towards team selection. With the high number of registrations there is no room for players to switch to another evaluation time.

Email evaluations@reddeerragefastball.com for any questions.
