BC Hockey Announces Minor Midget League Program Details

BC Hockey has announced that beginning in the 2018-2019 season, it will operate a Minor Midget League for 15 year-old players starting with the 2003 birth year.

The Minor Midget League gives an opportunity for 15 year-old players to develop with other athletes of the same age.

The Minor Midget League will align and affiliate with the Major Midget League (MML). Ten (10) teams will play in the Minor Midget League in the same geographic regions of the MML teams with the exception of the Kootenay Zone.

MML ZONES

The Minor Midget League season will consist of 30 regular season games and eight (8) teams qualify for the playoffs. The league will take several weekend breaks to allow teams to host or participate in tournaments.

To participate in the Minor Midget League, an evaluation camp will occur in conjunction with the MML spring evaluation camps. Participants may only attend the evaluation camp in the zone of their permanent residence. Participants can tryout for both the MML and/or the Minor Midget League at the same time should the player wish.
