

## RHRA – RAMP Gamesheets App Instructions

---

New for the 2022/2023 season, Ringette Ontario has switched to online electronic “RAMP Gamesheets” app instead of the paper game sheets. Anybody who will be updating a game sheet (i.e. game sheet keeper, home coach, visiting coach, referee) and the home team manager need to review the information below.

The “RAMP Gamesheets” app can be downloaded from:

- [Apple App Store](#)
- [Google Play Store](#)

The login/password for the “RAMP Gamesheets” app is the same as that used for the “RAMP Team” app. Please review the training resources listed below:

- [Ringette Ontario Provincial RAMP Game Sheet App Guide](#)
- [RAMP Game Sheet Question and Answers](#)
- [RAMP Game Sheet App video tutorial](#)

For each home game, the home team manager will need to retrieve the 4 game codes from the [RAMP portal](#) and communicate each code to the people who will be performing those roles for the game. The game codes are available under one of the 3 menus listed below depending on the type of game:

- League Gamesheet App Codes
- Portal Gamesheet App Codes
- League Tournament Gamesheet App Codes
