

RHRA – Team Wear Policy

We are happy to continue our new partnership with Hometown Rivalry to supply all of our team wear. All items can be viewed on-line at www.hometownrivalry.com, purchased online and shipped directly to your home. Visit their site, click on 'shop teams' and select Richmond Hill Ringette. You will see different collections for Players, Bench Staff and Fans.

Players on all U12, U14, U16 and U19 teams, are to dress in official RHRA team wear when at arenas. We look to all head coaches and managers to enforce this to ensure a unified look for players and bench staff as they represent the RHRA at games and tournaments.

For all games and tournaments, we expect **players** to wear:

- RHRA 'Player's' Black Jacket
- RHRA 'Player's' Warm Up Top – choice of either blue cotton hoodie or t-shirts/dry-fit shirts
- RHRA 'Players' Warm Up Pants – branded black leggings or sweatpants, or generic black pants with minimal brand logos are allowed
- Game Pants - Hometown Rivalry has secured a deal with MossPro for RHRA game pants. They offer a superior quality material that will last longer than our previous suppliers. U19 players are exempt with plain black game pants.

For all games and tournaments, we expect all **bench staff** to wear:

- RHRA 'Bench Staff' Black or Blue Jacket (must have the Richmond Hill Logo)
- RHRA 'Bench Staff' Top – optional with a hoodie or 1/2 zip versions.

For Fans, we want you to be able to show your Richmond Hill Lightning pride all the time. Check the RHRA Fans section for special products and attire available for purchase!

No team should produce their own team outfitting without approval from the Board of Directors
