

**RHRA Equipment Loan Program**  
**\$50 loan fee, \$300 deposit cheque**  
**Payable to "RHRA" Postdated for June 1, 2026**

The **RHRA Equipment Loan Program** has been made available thanks in part to the **Ontario Trillium Foundation**. It is a program that we hope will encourage many families to participate in the exciting sport of Ringette in Richmond Hill. The success of this program will be determined by the support and commitment of all who participate. Taking care of the equipment while you are in possession of it and returning it in a good clean condition will ensure the continued success of this program.

All participants will be required to sign a promissory contract (see attachment), pay a **\$50 lending fee**, and place a **\$300 deposit cheque**, payable to **Richmond Hill Ringette Association**, with RHRA, upon taking possession of the equipment. Upon return of equipment, in good clean condition, RHRA will return your deposit cheque. All equipment is to be returned in a good clean condition by **March 29, 2026**. If the equipment is not returned by September 2026, RHRA will cash the \$300 deposit cheque. If any equipment is missing or **\*damaged**, RHRA will cash the \$300 deposit cheque and deduct the cost of any damaged or missing equipment and then rebate the difference.

**\*damaged** = beyond normal wear and tear and the piece needs to be replaced.

Many players will have identical equipment, please ensure all pieces of your equipment have your sweater number on it, preferably no more than 1 inch high. This will ensure your equipment ends up in your bag. It would be expected that all girls will wear a t-shirt and long underwear or sweatpants under their equipment, **it is easier to wash clothes than equipment!**

If you have any questions, contact:
