Video Scoreboard Instructions

Welcome to the New video scoreboard. Top use the scoreboard you need to use the computer monitor, keyboard and mouse.

Opening the Scoreboard Program

- Make sure the monitor is on. (button is located on the bottom right hand side.)
- The screen below will be on your monitor, this controls your scoreboard.

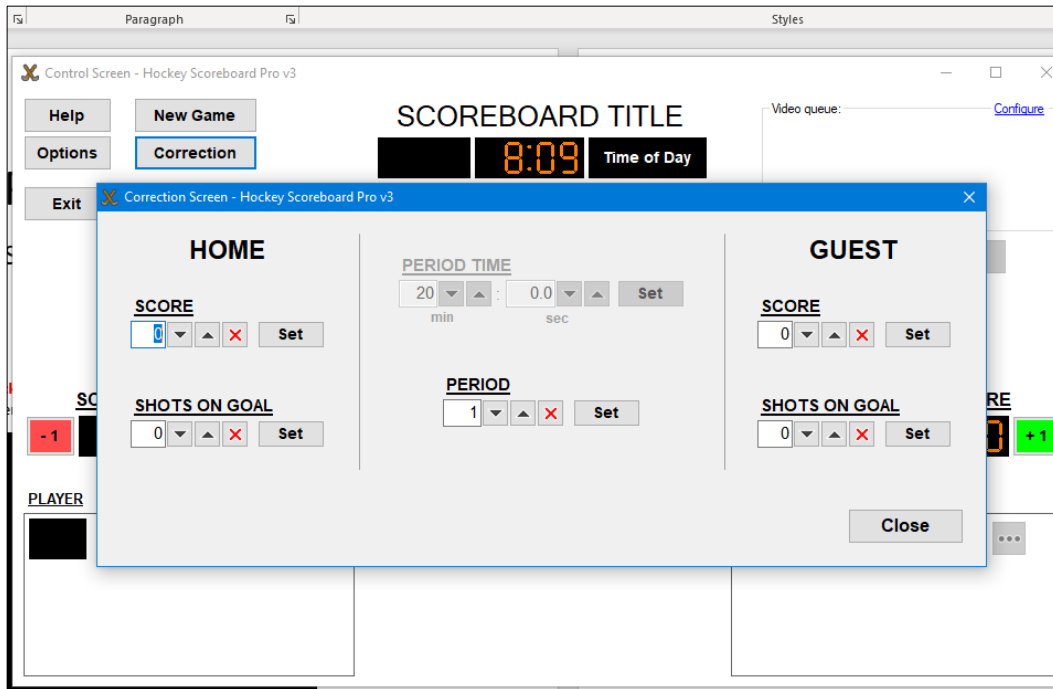

Playing Music

- The new clock uses the audio plug in for the buzzers, so you must use the music on the computer provided.
- There is a list of music located on the left hand side of the monitor. Just press play or shuffle to play music. And pause to stop.

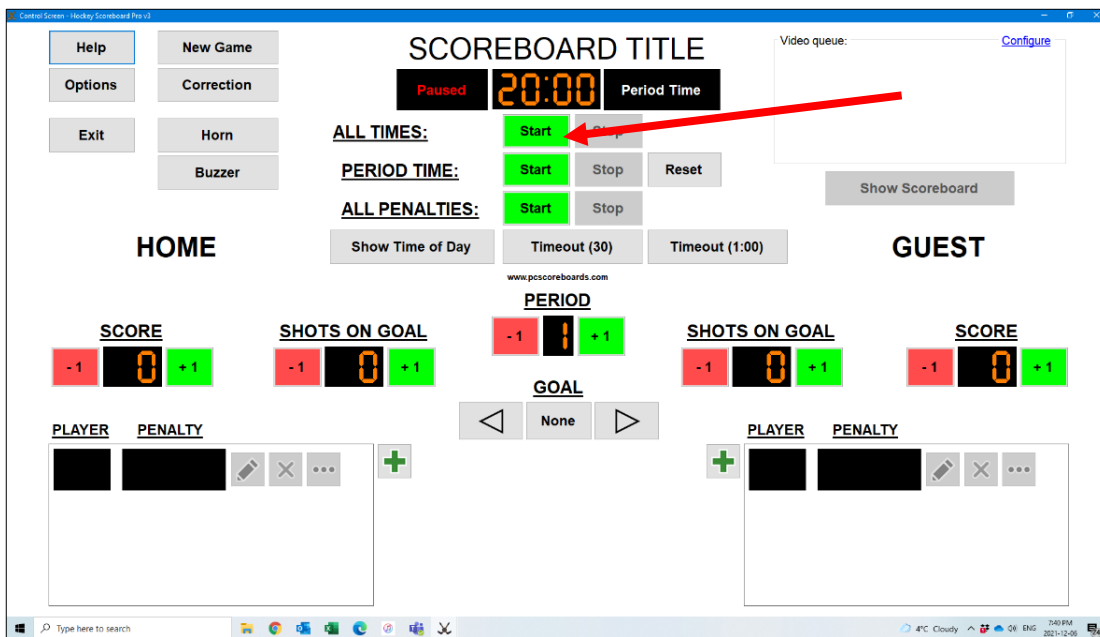

Setting the time clock for periods

- If the clock is showing time of day, click the middle box that says **Show period time**
- The scorelock is preset for 20:00min, if you want to change the period time for warm up click the **Corrections** button on the left hand side. this will give you a pop up box. (as shown below)
- You can adjust the time / goals / Shots on net from this pop up.
- Once you set the time you need, close the pop up.

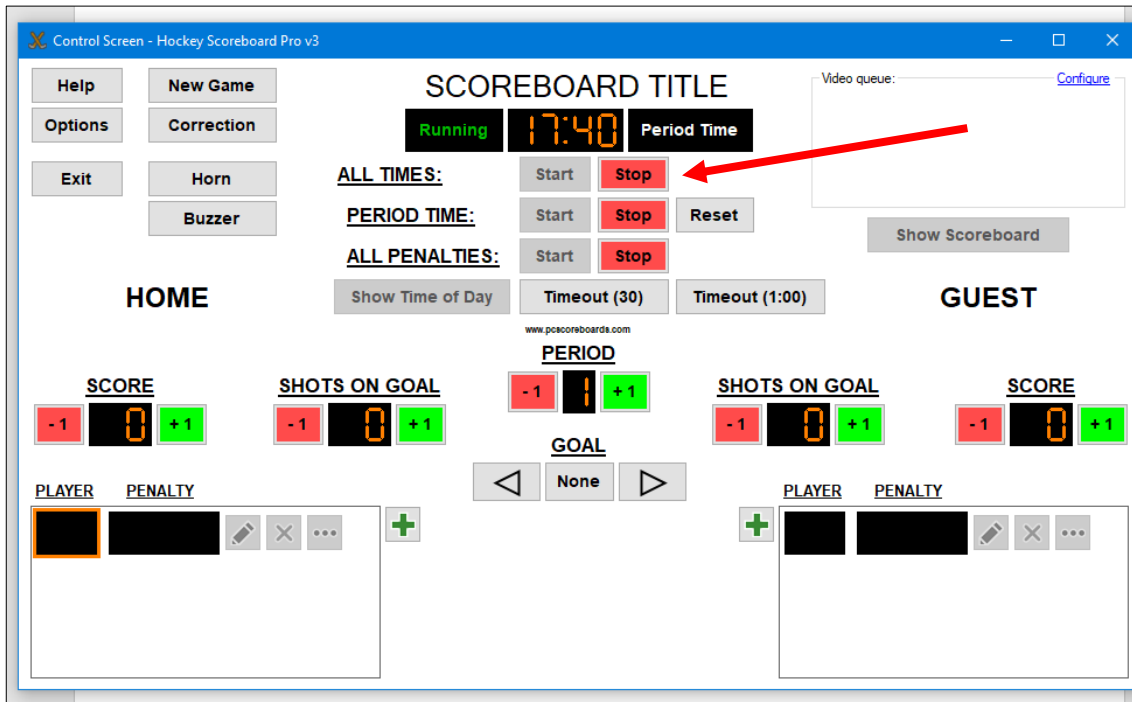

Starting & Stopping the period time

- To start the period time, click the Green Start Button across from ALL TIMES (see below)

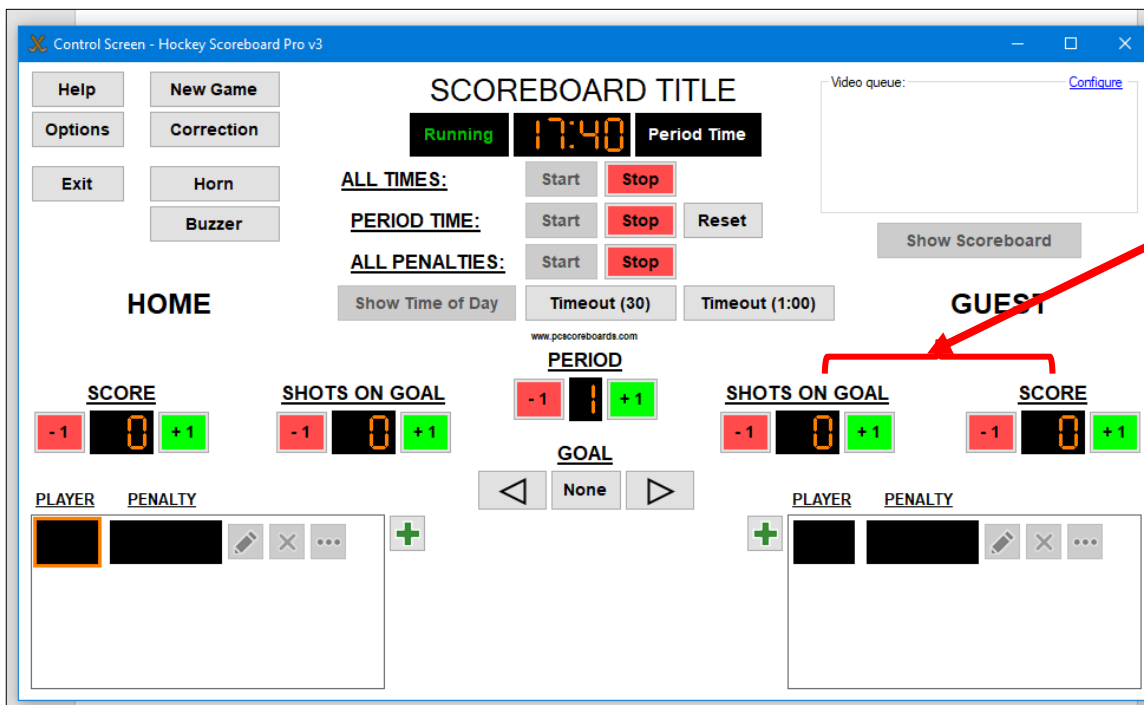

- To stop the period time, click on the Red Stop button across from ALL TIMES (as shown below)

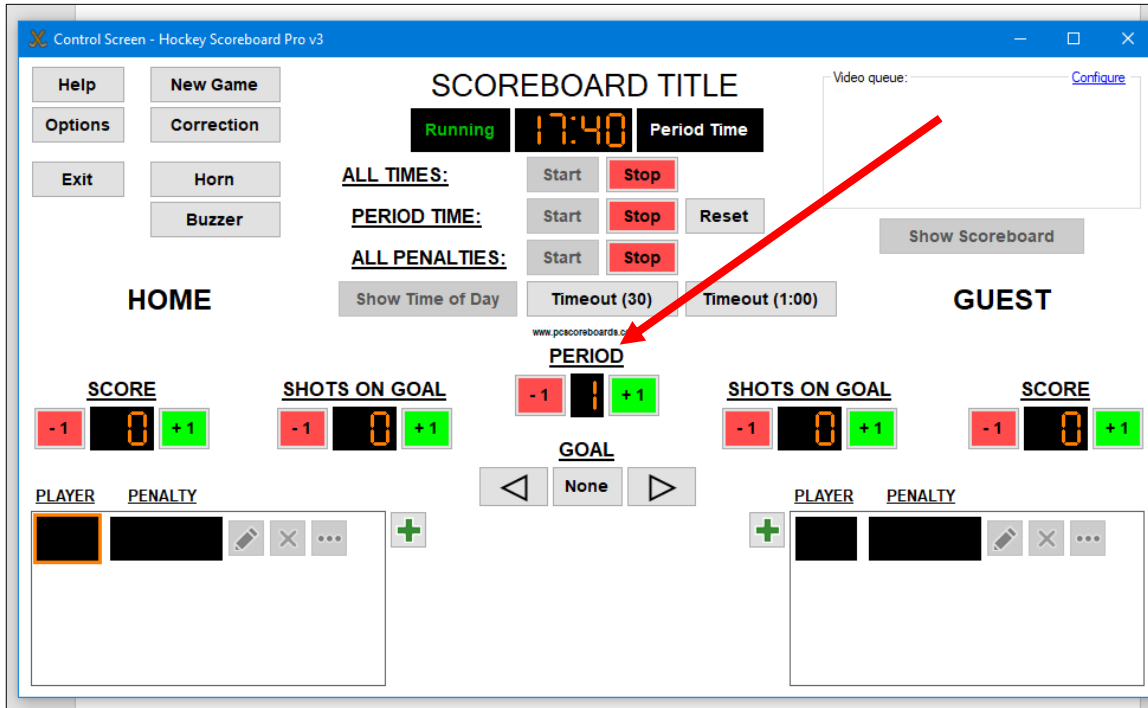

Entering Goals & Shots on Goal

- To put up a goal, choose Home side or Guest side
- Under the Score, click on the Green +1 button to add a goal, or -1 Red button to subtract a goal.
- Same for adding shots, pick Home or Guest side, Under the Shots on Goal, click on the Green +1 button to add a shot, or -1 Red button to subtract a shot. (see below)

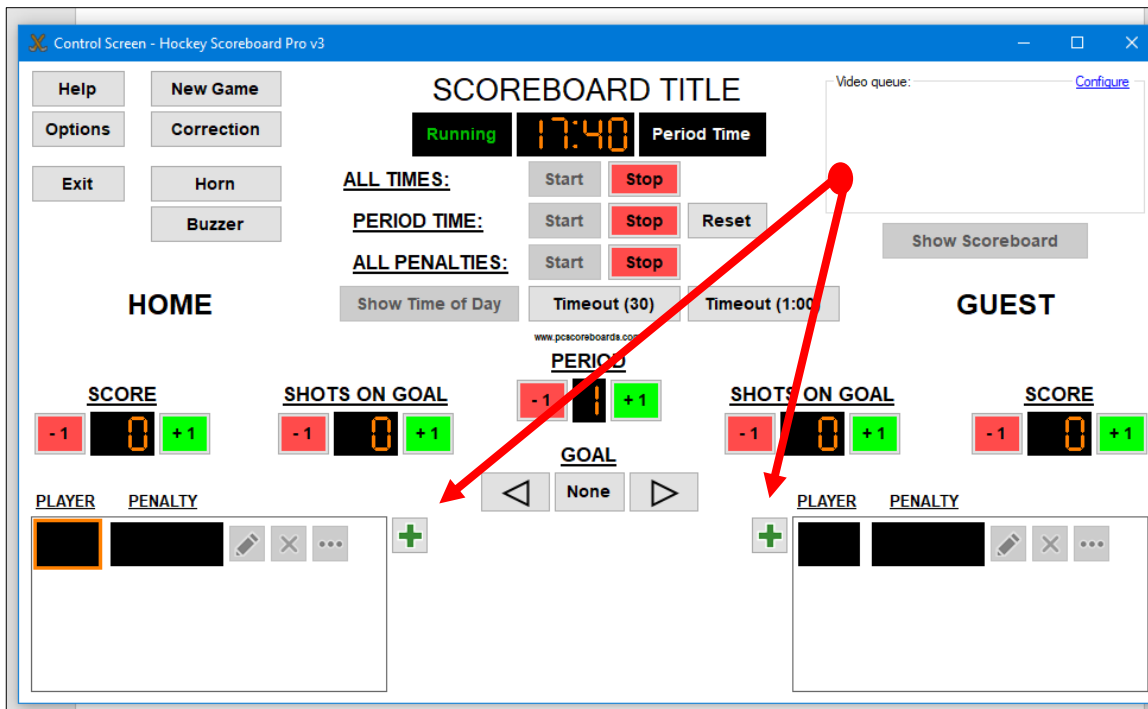

Setting Periods

- To set your periods, in the middle of the screen up Period, click on the Green +1 button to add a period, or -1 Red button to subtract a period. (see below)

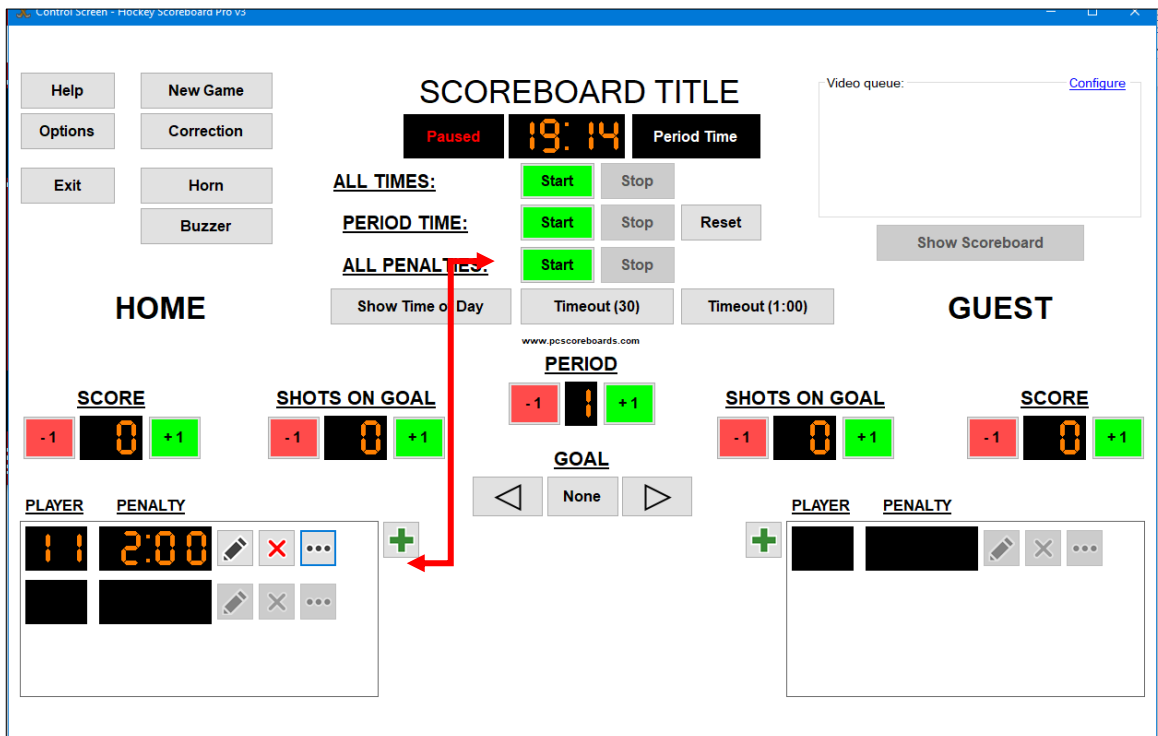

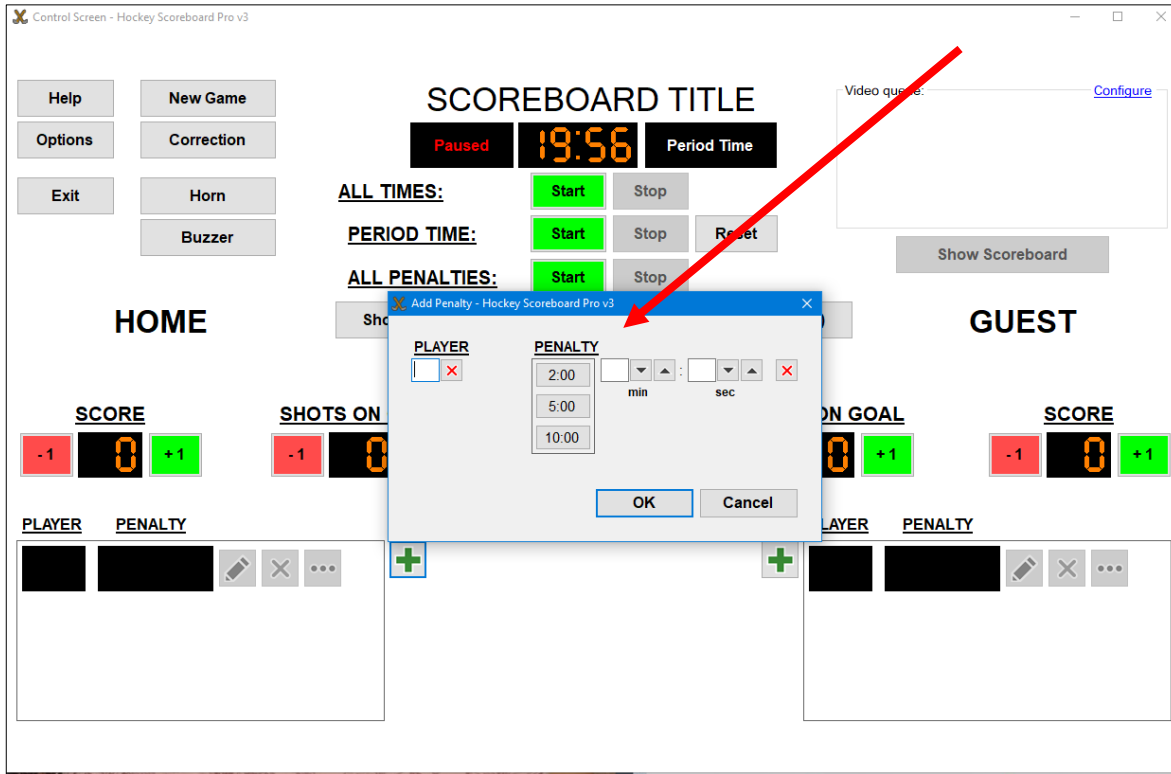

Setting Penalties

- To set a penalty, click the red Stop on the ALL PENALTIES
- Then click the Green + box on the side you want (Home or Guest) to set your penalty (see below)

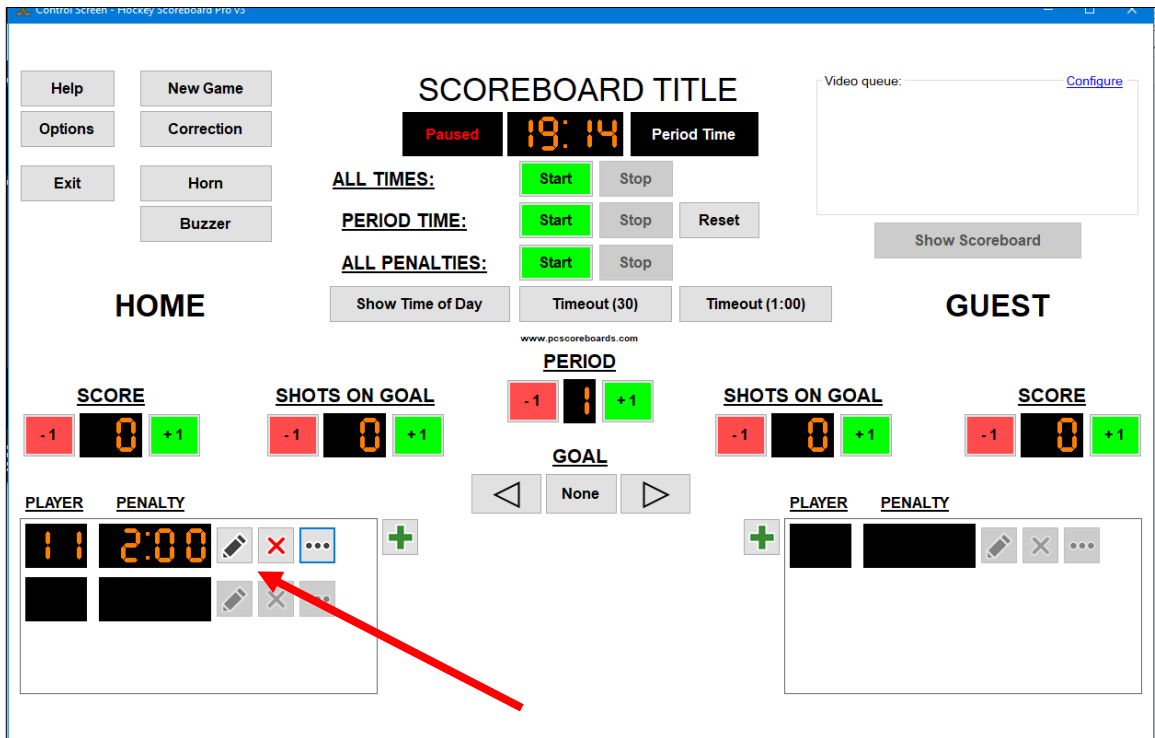

- Once you click the green + button you will get a pop up screen to set your penalty. (see below)
 - You will enter the players jersey number (if you do not know, you can leave it blank)

- Click on the pre-set penalty amount or you can enter a different amount manually by typing it in the minute and second box.
- Once you have done this, click **OK**
- The penalty will now be on the screen and to start the penalty time click on the **Green START button** for either ALL TIMES or ALL PENALTIES. (See below)
- Repeat process to add additional penalties.

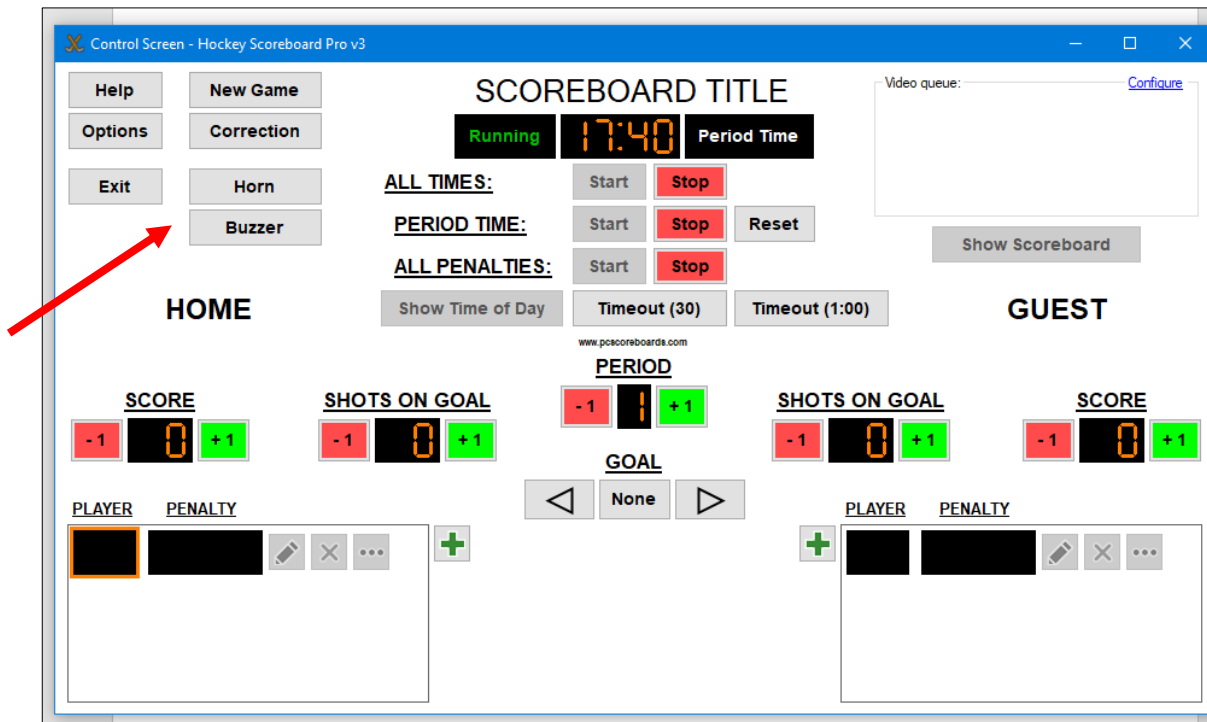

Edit or Delete Penalty

- **To Edit penalty, click on the pencil icon** next to the penalty time and the pop up box will appear so you can reset or alter the penalty time. (see below)
- **To Delete a penalty, click on the "X" icon** next to the penalty time and it will remove that penalty.

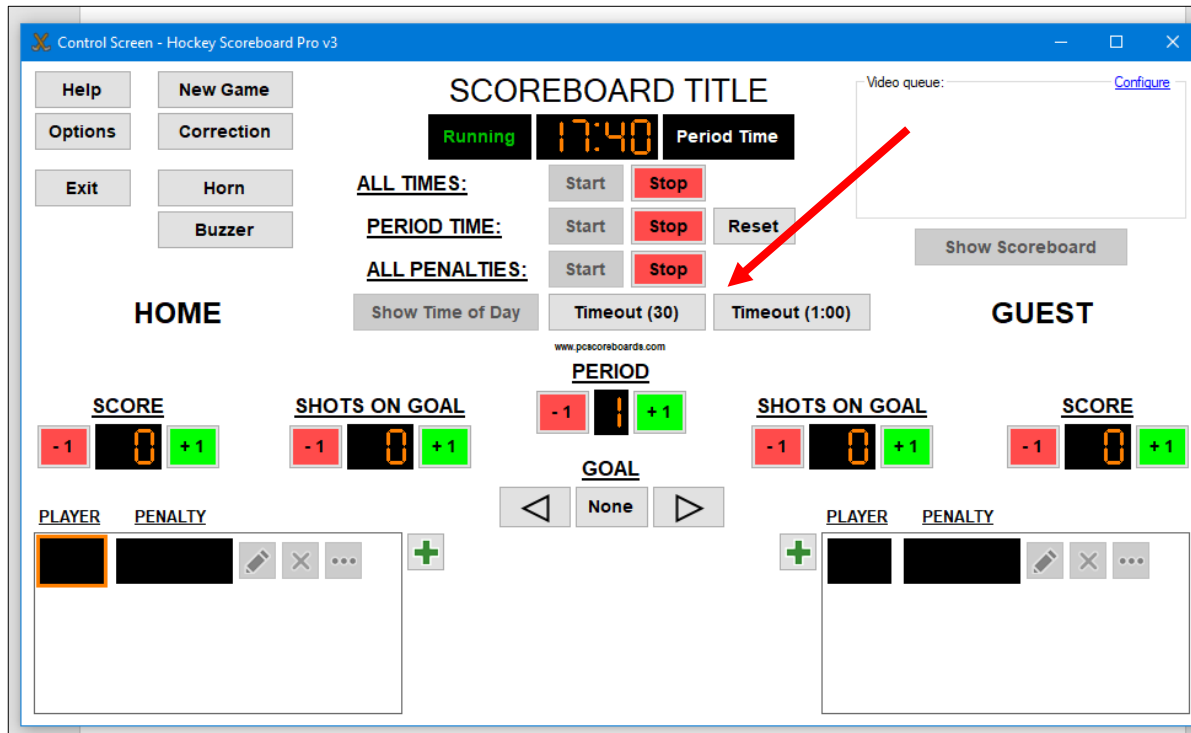

Horn / Buzzer

- Horn will sound automatically when the period is over.
- To sound the Horn or Buzzer when needed, click on the Horn or Buzzer button.

Time Outs

- To set clock for a time out, **click on either the TIMEOUT (30)** for a thirty second time out clock countdown or **click on TIMEOUT (1:00)** for a one-minute time out clock countdown (see below)

End of the game

- At the end of the game, please click **NEW GAME** then click **SHOW TIME OF DAY** (see below)
