President's Message

On behalf of myself, the Board of Directors and our staff, welcome to the 2017 playing season. I would like to welcome all the new Directors and District Organizers to our board. We are excited about the experience and new ideas they will bring to our team. 2017 is going to be another busy season both on and off the diamond. We have been busy working over the winter months as we continue with ongoing and new initiatives such as the player transfer, provincial reviews, clinics and promotion of our sport.

Coaching is such an integral part of our program, the experience the athletes have with their coach can be a positive and form many lifelong relationships. Softball Alberta and Softball Canada is looking at how we can enhance the coaching experience. I want to encourage all organizations to look at your coaching staff, work to have the coaches take their certification, look at ways to expand your coaching staff to include non-parent coaches, junior coaches, female coaches, etc. Watch for more information to come in the future.

Welcome to our returning and new umpires. Last year we saw an increase in numbers in some areas and I do hope this trend will continue in 2017. There are so many great opportunities for young individuals in the umpiring world. As with coaching, getting the youth involved in our umpire program is critical. Talk to your older players and see if they would be interested... what better summer job than being involved in the game you love and being able to work your schedule around your ball schedule.

Again this year, Alberta will be busy with Championship events including Provincials, Western Canadian Championships and Canadian Championships. Irma will be hosting the U21 Woman and Men's Western Canadian Championships, August 17-21 and Lloydminster will be hosting the U18 Girls Canadian Championship, July 31 – August 6. Thank you to all the hosting committees for taking on these events, without you these events would not happen. Plan to attend these events and show your support and watch some excellent competition.

To our sponsors, thank you. Your continued support greatly contributes to our organization.

To our membership, you have all chosen to be a part of our association because of our mutual passion for softball. Your passion helps us all to come together as one and the energy we create as one allows us to achieve our individual as well as group goals. Together we can build and promote this great game!

Yours in Softball,

Shelley Rudd

LONG-TERM PLAYER DEVELOPMENT

SOFTBALL-SPECIFIC LTPD MODEL

“The Canadian Sport for Life: Long-Term Athlete Development” Resource Paper, which describes the generic LTAD model, is based on a comprehensive review of coaching literature, sport science research, and best practices from effective sports programs within Canada and around the world. Exercise and sport science research and experience provided insight and information regarding the role of growth, development, and maturation in athletic development.

In 2008, Softball Canada published the *Long-Term Player Development Guide for Softball in Canada*.

Since that time Softball Canada has also

produced other LTPD resources that are available for download from their web site (www.softball.ca) under the Long-Term Player Development (LTPD) tab. The national adoption and promotion of the LTPD and Canadian Sport for Life (CS4L) have created a clear mandate for LTAD Principles. Using the *Long-Term Player Development Guide for Softball in Canada* overview document as the guiding framework and with support from Alberta Sport Connection, Softball Alberta has undertaken discussions on the state of the game in Alberta, the desired state, and what needs to be done to achieve that desired state. Through these discussions, Softball Alberta’s LTPD Implementation Plan has been created.

Softball Canada LTPD resources are available at:

<http://www.softball.ca/english/ltpd/ltpd-resources/ltpd-resources.html>

Through the planning process, Softball Alberta identified seven initiatives essential to implementing LTPD. Five of these initiatives were identified in the Softball Canada LTPD Guide:

1. **Player Development**
2. **Coaching**
3. **Leadership**
4. **Competition**
5. **Facilities & Equipment**

The Softball Alberta LTPD Committee felt that the following two initiatives were also important elements of the implementation plan:

6. **Officials**
7. **Communication**

These seven initiatives cover all areas of the LTPD model set out by Softball Canada.

For more information on Softball Alberta’s LTPD Implementation Plan, contact Softball Alberta at info@softballalberta.ca.

ARTICLE III. PROVINCIAL PLAYOFFS

A. RESIDENCY AND ELIGIBILITY

1. DEFINITION OF TERMS USED

- a) "BONA FIDE RESIDENT OF ALBERTA" means a person who considers their actual and exclusive home to be in Alberta. Residency is a question of fact to be determined in each case. To assist in determining bona fide residency, it is proper to consider all factors which are relevant including employment, length of stay and any other factors which are useful to consider whether the intention of the player is to make Alberta their permanent home.
- b) "DEEMED BONA FIDE RESIDENTS" are any of the following:
 - i) Players who are full-time students in the year of competition in attendance at an educational institution in Alberta or a post-secondary educational institution in Canada may elect to be deemed bona fide residents of Alberta, provided their parent(s) or legally appointed guardians are bona fide residents of Alberta, or
 - ii) Players who are or were in continuous full-time attendance at a post-secondary educational institution anywhere within six (6) months of the official residency date of the year of competition may elect to be deemed bona fide residents of Alberta if their parents are bona fide residents of Alberta or if the player is employed in a full-time job in Alberta at the official residency date;
 - iii) Canadian citizens participating in American college softball competition or in a professional sport competition (other than softball or baseball) may be exempted from the official residency requirement provided they return to Canada immediately following the event;
 - iv) Players employed full-time in Alberta and having a residence in Alberta;
 - v) **Border Boundary Rule:** - any player who is a Canadian citizen living within forty (40) kilometers of a border of the Province of Alberta (subject to 'release' requirements); ***the approved Out-of-Province Release must be in the Softball Alberta office on or before June 1st.***
- c) "POST-PROVINCIAL PLAY" means a Western Canadian Championship or a Canadian Championship competition.
