Rimbey Minor Soccer Association requests parent participants get a Criminal Record and Vulnerable Sector Checks as part of Safe Sport protocols and our quality assurance programming on a yearly basis. This policy is in alignment with the protocols set by our governing bodies CASA (Central Alberta Soccer Association) and ASA (Alberta Soccer Association).

Our local association is committed to safe and responsible coaching. More information about our commitment can be found at: <https://rimbeyminorsoccer.com/content/rmsa-safe-sport-and-responsible-coaching-policies>

Please consider this letter a reference for any parent/guardian/volunteer/board member requesting this documentation on behalf of our soccer association.

Thank you,
