4.0 TIERING POLICY

4.1 Purpose

Place teams at similar skill levels for competition in Ringette Alberta-sanctioned games.

4.2 Applicability

All teams registered with Ringette Alberta.

4.3 Principles

- 4.3.1 Below U12, athletes will be grouped by Long-Term Athlete Development (LTAD) stages and sub stages.
- 4.3.2 Teams may 'tier up' (register at a higher level) to and including A provided the local ringette association approves the change.
- 4.3.3 There is no obligation on any Association to ice a 'AA' team.
- 4.3.4 AA teams must be approved by Ringette Alberta by August 15th of the current season.
- 4.3.5 AA team evaluations must be completed, and team rosters submitted to Ringette Alberta by 11:59pm on the Sunday of the September Labour Day weekend.

4.4 Requirements

4.4.1 Active Start

- 4.4.1.1 Athletes may be grouped into either the Active Start 1 stage or the Active Start 2 stage.

4.4.2 U10, U12, U14

- 4.4.2.1 Group Members of Ringette Alberta providing programs in these divisions are required to conduct UAA testing.
- 4.4.2.2 Minimum team level will be determined by relative UAA team score.

4.4.3 U16, U19

- 4.4.3.1 Historical game sheet and player data will be analyzed by a Ringette Alberta appointed, third party Statistician or tiering committee and a tiering recommendation made for each Association to start the season.
- 4.4.3.2 One Team in an age division: the team will self-tier at the A or B level.
- 4.4.3.3 When 2 or more teams are formed at the same division and tier, balanced team formation is required.
- 4.4.3.4 If the Statistician/tiering recommendation is not followed, teams will be tiered as follows, at minimum:

# of Teams Excluding AA	U16			U19	
	A	B	C	A	B
2	1	1		1	1
3	1	1	1	2	1
4	2	1	1	2	2
5	2	1	2	3	2
6	2	2	2	3	3
7	3	2	2	3	4
8	3	3	2	4	4

4.4.4 Timelines

- 4.4.4.1 For the purposes of determining team level, UAA testing shall begin no sooner than the weekend prior to September 1st each season.
- 4.4.4.2 UAA testing data must be submitted to Ringette Alberta, in the required form, on or before 11:59 pm, 15 days after Labour Day in September.
*except for associations that do not have ice availability at that time. Must be pre-approved by Ringette Alberta.
Associations intending to register a team at a level above its UAA score or tiering assignment must notify their respective Leagues and Ringette Alberta on or before 11:59 pm, 15 days after Labour Day in September.

4.4.5 Compliance and Consequences

- 4.4.5.1 Where an entire association fails to submit ALL of its UAA testing data by the due date and time specified in 4.4.5, all of its teams shall be ineligible for participation in Ringette Alberta Playdowns and Provincials.
*except for associations that do not have ice availability at that time. Must be pre-approved by Ringette Alberta.
- 4.4.5.2 When fewer than 80% of a non-AA team's players are tested, the team will start the season as follows:

- U10 teams will start at Step 3
- U12 teams will start at A
- U14 teams will start at A

4.4.5.3 When fewer than 80% of an AA team's players are tested, the association will be fined \$1,500 for each non-compliant team.

4.4.5.4 AA teams that are not selected and reported to the Ringette Alberta office by 11:59pm on Sunday of the Labour Day weekend may, at the sole discretion of Ringette Alberta and the tiering committee, begin their season in the A tier of their respective league.
