

How to Register for a Ringette Ontario Competition Introduction (CI) Coach Clinic

CI Training:

1. You will need an NCCP#. If you do not have one, go to <https://thelocker.coach.ca/> to create one. Use this account to complete eLearning and to keep tracking of your coaching courses and statuses. This is where the definitive records are kept. Ringette Canada's site checks here for proof of course completion.
2. Go to www.coachingringette.ca/c and register for an account or sign in. Do not create a new account if you already have one – use the password recovery tool. Use this account to register for sport-specific courses.

4. Click on the red REGISTER button. You must attend all sessions in their entirety to receive credit.
