

## How to Register for a Ringette Ontario Ringette Community Coach (RCC) Coach Clinic

1. You will need an NCCP#. If you do not have one, go to <https://thelocker.coach.ca/> to create one. Use this account to complete eLearning and to keep track of your coaching courses and statuses. This is where the definitive records are kept. Ringette Canada's site checks here for proof of course completion.
2. Go to [www.coachingringette.ca/c](http://www.coachingringette.ca/c) and register for an account or sign in. Do not create a new account if you already have one – use the password recovery tool. Use this account to register for sport-specific courses.

3. Once you are logged in, go to "Clinics" then find the clinic you would like to attend:

4. Click on the red REGISTER button. You must attend all sessions in their entirety to receive credit.

When you select register you will be taken to a PayPal page to complete payment.
