Notes:	
Female Coach on the Bench	All divisions and levels must have at least one woman coach (18 years old and older) fully qualified for the coaching position they hold on the bench. Open and Masters' Divisions are exempt from this requirement. This must be a coach - trainer and junior helpers do not meet this requirement.
Screening Policy	All coaches and bench staff 18 and older are subject to the Ringette Ontario Screening Policy.
1 - Coach Initiation in Sport	This module is a requirement for all coaches to take before they may register in a RCC or CI clinic. This module is available at https://thelocker.coach.ca
2 - Make Ethical Decisions (MED)	Participants must complete both the e-learning and the evaluation. Former MED was a 4 hour live clinic + separate online evaluation. This is still accepted as having completed MED if both components were completed.
3 - Standard First Aid or equivalent	Valid minimum standard first aid and CPR certification from a recognized First Aid program or active employment in a recognized health care profession in which first aid techniques are commonly applied.
4 - 18+ Open (all levels)	18+AA and University teams are required to have a minimum of 1 non-playing qualified bench staff for all sanctioned games. 18+A and below teams are required to have a qualified bench staff identified on their TRF and game sheets, but this can be a playing staff or a non-playing bench staff. In the case of a player-staff, this person is ultimately responsible for the conduct of the team.
5 - U12, U14 B/C, U16 B/C, U19 B/C	CI or RCC will be accepted.
6 - U16AA, U19AA Competition-Development multi-sport module	Competition Introduction (CI) Certified Coaches at the u16AA, u19AA and NRL level, not yet Competition-Development Certified, are required to complete a minimum of one (1) Competition-Development multi-sport course per season, prior to January 31st, until they are Competition Development Certified.
7 - House League	Team does not play in a sanctioned league or attend tournaments.
