

RINGETTE ONTARIO

2022-2023 High Performance (AAA) Program

Bench Staff Applications

Ringette Ontario is seeking coaches to be a part of the Ringette Ontario High Performance (AAA) Program for the upcoming season.

The Ringette Ontario High Performance (AAA) Program focus is on elite level development and creation of a competitive program that provides players with exposure to high level development opportunities as well as top coaches in Ontario. The HP Program allows Ringette Ontario selected Coaches, to identify, and develop Ontario's most gifted young ringette players and to provide them with the opportunities to participate in new competitions. Competitions include the Ontario Winter Games (U20 for 2023 event only) as well as potential opportunities at Ringette Canada La Releve camps, the National Ringette League, the Junior National Team, and Senior National Team Programs.

Capacity

This cycle will feature six teams that will compete at the Ontario Winter Games (OWG) and as well as participate in development camps/competition weekends. We currently have capacity to accept 108 athletes and 30 bench staff.

Ringette Ontario is excited to welcome back many of our 2022 cycle coaches as well as new coaches into the program for this year's HP cycle.

Eligibility

Coaches must have the following qualifications to be considered:

- Competition Introduction (CI) Certification
- Respect in Sport for Activity Leaders
- Criminal Record Check with Vulnerable Sector Screening
- Making Head Way in Sport
- Safe Sport Training
- Standard First Aid or Equivalent *one member per bench

Program Details

Ringette Ontario will host selection camps in July for all athletes and program coaches to attend. Coaches and additional evaluators will be evaluating and working with the athletes to determine the top 108 athletes to be chosen as part of the High-Performance Program.

Players will be divided into teams consisting of players from all areas of Ontario, while staffs will also be divided based on experience, roles, and gender.

Once teams are created, coaches and athletes will be introduced virtually, and coaches will have access to zoom platform to start team meetings and team bonding opportunities on a regular basis.
