

Creating Portal Games in RAMP

Tutorial Video Link Covering the Instructions Below
<https://youtu.be/xH1SRhDgVhg>

After signing in with your Ringette Ontario Team Login you can Access Portal Games Page in the left-hand menu.

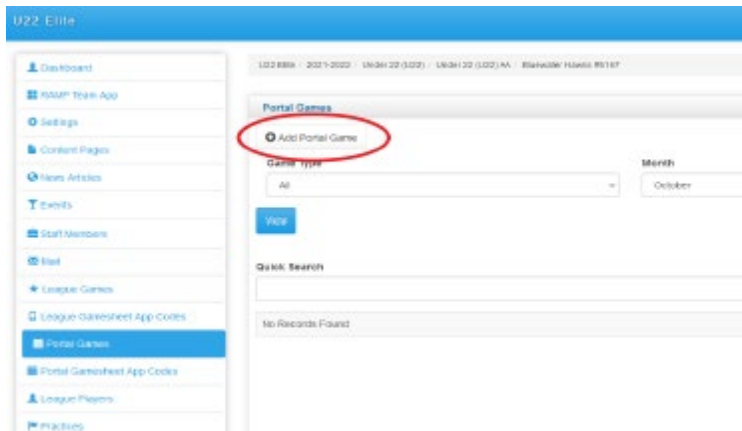

Menu items:

Under Portal Games menu you can see any Portal Games you have created, or that have been created by another team with you as the opponent.

At the top of the page is a button to "Add Portal Game" button that will take you to the add game interface. From here you can create a game against any team under the RO Portal system.

Add Game Button Location:

Games Creation Page:

The screenshot shows the 'Create Portal Games' form. On the left is a navigation menu with items like 'RAMP Team App', 'Settings', 'Content Pages', 'News Articles', 'Events', 'Staff Members', 'Mail', 'League Games', 'League Gamesheet App Codes', 'Portal Games', 'Portal Gamesheet App Codes', 'League Players', 'Practices', 'Assignments', 'HCR File', 'Content List', 'Print Labels', and 'Sign Out'. The main form has the following fields:

- Game Type: dropdown menu
- Game #: text input
- Home League: dropdown menu
- Visiting League: dropdown menu
- Home Season: dropdown menu
- Visiting Season: dropdown menu
- Home Category: dropdown menu
- Visiting Category: dropdown menu
- Home Team: dropdown menu
- Visiting Team: dropdown menu
- Home TDA or Display Text: text input
- Visiting TDA or Display Text: text input
- Home Display: text input
- Visiting Display: text input
- Live Video Link: text input
- Tickets Link: text input
- Date: text input
- Start Time: text input
- End Time: text input
- Areas: dropdown menu
- Print Gamesheet PDF or CSV: button
- Rules: text area
- Submit: button
- Cancel: button

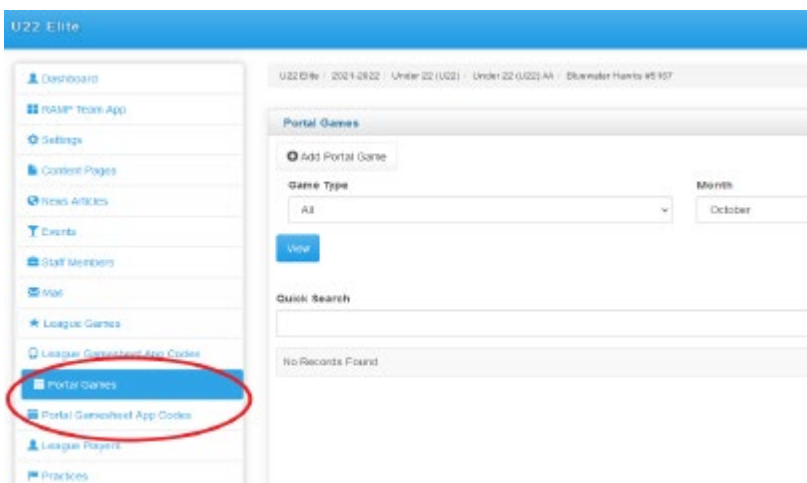

One of the two teams added must be your team, and once you have filled out all the game information you can submit it.

Once submitted that game will appear for both teams under the Portal Games Menu.

Viewing Portal Gamesheet Codes

After signing in with your RO Team Login you can Gamesheet App Codes on the left-hand menu.

Menu item Location:

After clicking on the Portal Gamesheet App Codes Menu, you will be able to see the Gamesheet codes for all Portal Games that have been created for your team. If you are the home team you will see all codes, and if the visitor team just the visitor code.

Portal Gamesheet Codes Displayed:

The screenshot displays the 'Portal Gamesheet App Codes' interface. The top navigation bar includes 'U22 Elite', 'Change Theme / Skin', 'View Profile', and 'Sign Out (Email: info@197302013)'. The left sidebar contains a menu with items like 'Dashboard', 'U22 Elite App', 'Settings', 'Content Pages', 'News Articles', 'Events', 'Staff Members', 'Roster', 'League Games', 'League Gamesheet App Codes', 'Portal Games', 'Portal Gamesheet App Codes' (highlighted), 'League Players', 'Rosters', 'Assignments', and 'Roster File'. The main content area is titled 'Portal Games' and features filters for 'Game Type' (All), 'Month' (October), and 'Year' (2021). Below the filters are 'View' and 'Export & Download' buttons. A 'Quick Search' field is also present. The table below lists game codes with columns for ID, Date, Home, Visitor, Arena, Gamesheet Code, Official Code, Home Code, and Visitor Code. A legend in the bottom right corner provides icons for 'Print Blank Gamesheet', 'View Team Roster Photos', 'Verify Gamesheet', 'Color Gamesheet', 'Edit', and 'Trash'.
