PLAY TO LEAD
UNLEASHING WOMEN'S POWER THROUGH SPORT

Canadian Tire Jumpstart Charities is launching the first-annual Play to Lead program – a leadership and networking program for young female athletes and their coaches in the Greater Toronto Area.

Are you an athlete or coach looking to take your leadership potential to the next level?

Kicking off with an in-person Summit in Toronto on October 15-16, 2022, Play to Lead will enable participants to develop the skills, confidence, and relationships to become leaders in their community, and to unleash their power to improve gender equity and diversity in sport.

- ✓ Increase your leadership skills
- ✓ Grow your peer network
- ✓ Develop strong relationships
- ✓ Receive on-going support and coaching from skilled mentors
- ✓ Have fun and make lasting memories!

Combining in-person activities and virtual learning, the hybrid program takes place over the course of the 2022/23 school year and is free of cost for athletes and their coaches.
