Eligibility Criteria

On-Ice Official: Minimum rank of 3C or anticipating a 3C upgrade by the end of the 2024–2025 season in the Ringette Canada database. Ringette Ontario is committed to developing officials for future provincial events and will consider those who are in the process of obtaining a 3C.

All Major Technical Officials must:

- Be a registered official for the 2024–25 season and in good standing with Ringette Ontario;
- Be available to travel to and attend the Provincial Event in its entirety;
- Complete the self-identification process as outlined above.

Major Technical Officials may hold more than one role per event (i.e. an on-ice official may also serve as a supervisor).

Active Participation 2024-25 Season

In order to remain eligible for their participation in the 2025 AA and/or A Championship Events, Major Technical Officials shall be expected to remain active leading up to the event.

Exceptional Circumstances

Major technical officials may request an exemption to remain eligible for selection to an event. The Operations Director, the Director of Officials, and the Executive Director may authorize the exemption upon their joint discretion. An exemption may be granted if a major technical official was unable to participate in mandatory events, or evaluations due to illness, injury, other medical circumstance or personal, educational, or competitive commitments.

If unforeseen circumstances arise which do not allow for the set selection process or its timelines to be implemented as planned, the Operations Director reserves the right to identify an alternate process or alternate timelines. Should this occur, self-identified major technical officials will be notified of these changes in a timely manner.

Exemption requests should be made to Ringette Ontario's Operations Director. All requests must be submitted in writing and shall be dealt with in no less than seven business days. Exemptions shall be treated on a case-by-case basis.
