Please ensure you have the RAMP GameSheet app on your phone.

The Official Game Codes will be available in the Referee Rooms at the Arena. The control table and supervising official will also have a copy of the codes.

At the start of the game, you can access the roster with the timekeepers phone/tablet inside the box. On the Roster tab 👥, you will be able to review the players and team staff for each team. Being logged into the GameSheet User account in the box allows you to make changes if necessary. (Rosters cannot be altered from Officials Login).

Report Goals and Penalties to the box as usual.

*Note: Timeouts are not recorded in the app, the scorekeeper can mark on a paper which team called a timeout and when.

Following the game, the officials will review the gamesheet and sign, you will also be able to add any notes/writeups directly in the app. This can be done from your personal device in the dressing room, immediately after the game.

If it has not already been done, return to front page 🕐 and **Mark Game as Completed.**
