

RINGETTE ONTARIO PLAYING OUTSIDE OF AGE DIVISION

All requests for players to participate or register in an age category that is not specified as their age group, except for FUN1 or FUN2 must be in the form of a written request sent to the region (where applicable – Northeast, Western, and Eastern) and/or Ringette Ontario.

The request must be sent to and approved by both the Region Membership Services Coordinator (if applicable) and the Ringette Ontario Membership Coordinator before the player will be approved to be on the TRF.

U12 A, B, C: Up to two (2) over-aged players will be permitted on the TRF.

U14 & U16 B, C: Up to three (3) over-aged players will be permitted on the TRF. These players should only be approved based on team viability.

U19 B & C: There will be no overage requests approved.

Under-aged athletes at U12-U19 will be approved based on team viability.

There will be no approvals of over-aged players at U14-U19 A or AA. All areas of the [Athlete Development Matrix](#) should be considered as well before moving a player up an age category.

18+ Divisio

Requests for 18+ players playing out of age category (players under the age of 18 as of December 31 of the current playing season requesting to play in the 18+ division) must receive approval from the Ringette Ontario Membership Coordinator. Players under the age of 18 requesting to play in the 18+ division also require a Player Release from their home association.

If your Region (Northeast, Western, or Eastern) has a policy regarding playing outside of age division, please revert to their policy first.
