

CR KNIGHTS Jersey Care Instructions

- Jerseys are to be machine washed, inside out, on a gentle or hand wash cycle.
- **Do NOT** use hot water.
- Regular color-safe detergent is to be used, **NO bleach**.
- Jerseys are to be hung to dry and **NOT** put in the dryer.
- In order to avoid a mildew odor, jerseys must be completely dry prior to putting them into the jersey bags.
- Wash in groups of 6-7 maximum.
- It is recommended that jerseys be washed after every game for the Peewee, Bantam and Midget level teams.
- If jerseys are not washed after a game, they must be air dried to avoid an odor.
- **Do NOT** wash jerseys with any other articles of clothing.
- **Do NOT** wash jerseys if your water has a high iron or rust content as this may discolor them.
